# Senior Prophecy

As I, JOYCE MAGNUSSEN, was going about my duties as X-ray technician at the Mercy Hospital in Cairo, Egypt, I was told that someone wished to see me in the lobby. I was naturally curious since I knew no one in Egypt. But as I walked into the room; I realized it was none other than DICK KREJCI. He told me that he was located in Egypt while test-piloting his new jet creation. He thought the desert atmosphere ideal for the job. Dick asked me how I happened to be in Egypt, and I explained to him that I had come here with my husband who had joined the Foreign Legion.

Soon Dick and I were talking over old times. I asked him if he knew the whereabouts of any of the graduates of '54, and this is what he told me.

The last letter I received from Augusta informed me that GORDON WIESE is teaching Drivers Training at the High School.

DIANE JOHNSON is teaching kindergarten in the new Grade School that was built and designed by EUGENE RINGHAND'S Contracting Company. His slogan is "We build 'em bigger, better, wider, thicker, and slicker." KEN DANIELS is his right hand man. Ken is the traveling salesman and also manages a branch office in Fairchild. Diane has recently had her latest diet published in "The Ladies Home Journal", the one that dwindled her to a mere nothing.

Dick had heard from LARRY GINTHER who was farming outside of Chippewa Falls and experimenting with some vitamins that would make his cows milk only once a day. He is very satisfied with the results since it allows him to sleep all morning, go out at night, and milk the cows at noon. He said he had BOB McCORD working as a hired man in case the vitamins didn't work. Bob is hoping he can soon retire and buy a new car. The old Buick is rather worn out.

DORIS STEINKE HENNING has started a hospital in Fall Creek. She divides her time between baking cherry pies for her family and managing the Hospital. She has LORRAINE TUMM working as chief night nurse in the men's ward.

The last Lorraine heard of JEANETTE JOHNSTON was that she married a farmer from the Red River Valley and now spends all her leisure time picking potatoes. Jeanette met her husband at a Rabbit Convention where she acted as a secretary.

Someone said that DOROTHY BALLIETT had become the first woman ambassador to Norway. She's doing pretty well there--Dorothy has always had a weak spot for Norwegians. She keeps in touch regularly with GLORIA SCHEDLER, the ballet star, who is now making her debut at Metropolitan Opera House in New York. Her latest hit is "The Norwegian Boat Song." She is still looking for a son-in-law for her mother.

LYLE FOLDY, NORMAN HENNING, and MERLIN HOLST own and operate a Dude Ranch in Montana. It's not only a paying proposition, but the boys enjoy their work. That beautiful blond, SHIRLEY VOLBRECHT is their year-round night-club singer.

### CLASS PROPHECY (con't)

The Harlem Globetrotters have a new coach--DUANE REINEKE. Duane is polishing the boys up with a few new tricks. He is very popular because he still believes in no training rules.

Also in the line of sports, NEIL CARLSON'S chief interest is betting on the turtle races. He also acts as judge of the races once in a while.

Quite a few of the former students of ARS have gone into Agriculture and Conservation work. NORMAN LUEDTKE is now teaching Ag at the University of North Dakota. He is very satisfied with his job, and keeps in touch with LYNN LOWMAN who is now chief conservationist for the state of Montana. Whenever he visits Wisconsin he compares notes with ELDEN RUSSELL who is county agent for Dunn County and MARY RODD who is 4-H leader in Nebraska.

All of these men are grateful to CECELIA RAETHER who had invented pills to be taken in the place of food, thus giving the farmers as well as the city folks more time to do their work. Cecelia found a ready market for her pills when FERN LAMBRECHT promoted them in her chain of Red and White stores.

The two Pettis boys have done pretty well for themselves, ARDELL owns a long chain of milk transports, and ELLIS is in charge of a Hunting License Bureau.

SHERMAN WARNER is now a missionary in Australia thus fulfilling his life-long dream. His nurse YVONNE SPERBER just received a letter from her cousin JANET, who just returned from a trip to Moscow.

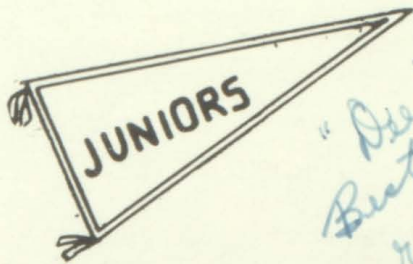

PATTI MURKOVIC is now a model in Paris, France. She models her own creations to the delight of all the customers. She rooms with ARDENA WESENBERG who just graduated from the Sherlock Holmes Detective School and is now a full-fledged policewoman. She is determined to get a man one way or the other. Patti's old friend MARY McCUNE is now giving lectures in Japan on Free Education. She recently had a long talk with Senator MARLENE DEHNKE who is now traveling in India. Marlene had BERNADEAN KUNZ as her Secretary. Bernadean just received a letter from MARLENE ARNDT who was elected president of the "Tall Ones Club" at Salt Lake City, Utah. She said VONNIE TROXEL was operating a restaurant for the Rahl-road men. Her old friend, JOYCE STELTER, resides in California and is manager of the Bartlett Pear Company.

Dick bought his ticket back to the States and found that DONNA ROTH was the chief stewardess on the plane he was to take. He also met JEAN WOLFGANG who was abroad, doing a column for the newspaper, she works for, The Augusta Union.

Thus having observed the status of my classmates of 1954 I remain--THE WEALTHY PAUPER.

Dear "Dee"

Have fun this summer with "Don".  
About this certain guy I gave up on him (Ha.)  
Did you see what he wrote in my mail.  
I didn't know just how to take it. Oh Well.  
I'll never forget this party. I can't wait  
to get these pictures developed "on 'day".  
Just wait next year will beat you in  
basketball + football (Ha.)

At the music festival next year you'll have  
to find out Central's home room so you  
can come and see me. Just think  
Central has purple uniforms too. (ugh)

Well seeing we're taking about the  
Prom I wonder if I'll be going next year.  
I can just see me the first day of  
school I'll be wondering around like a  
idiot. I sure will be funny not coming  
back to Augusta to school. You better write  
to me this summer and give me  
the low down about certain people. Here's  
wishing you happiness and joy in all  
that you do

a Friend Always  
Pat.

 We also had our P.T. parties remember the night we cut  
 hair I guess you even washed yours. Carol's party remember  
 the relic I bet you do. Oh remember the birthday party remember  
 too more fun. Never can we forget tonight those great  
 big pieces of cake and all the ~~cross~~ we mixed to gether.
