Jackie,

"One small step for man, one giant leap for mankind."

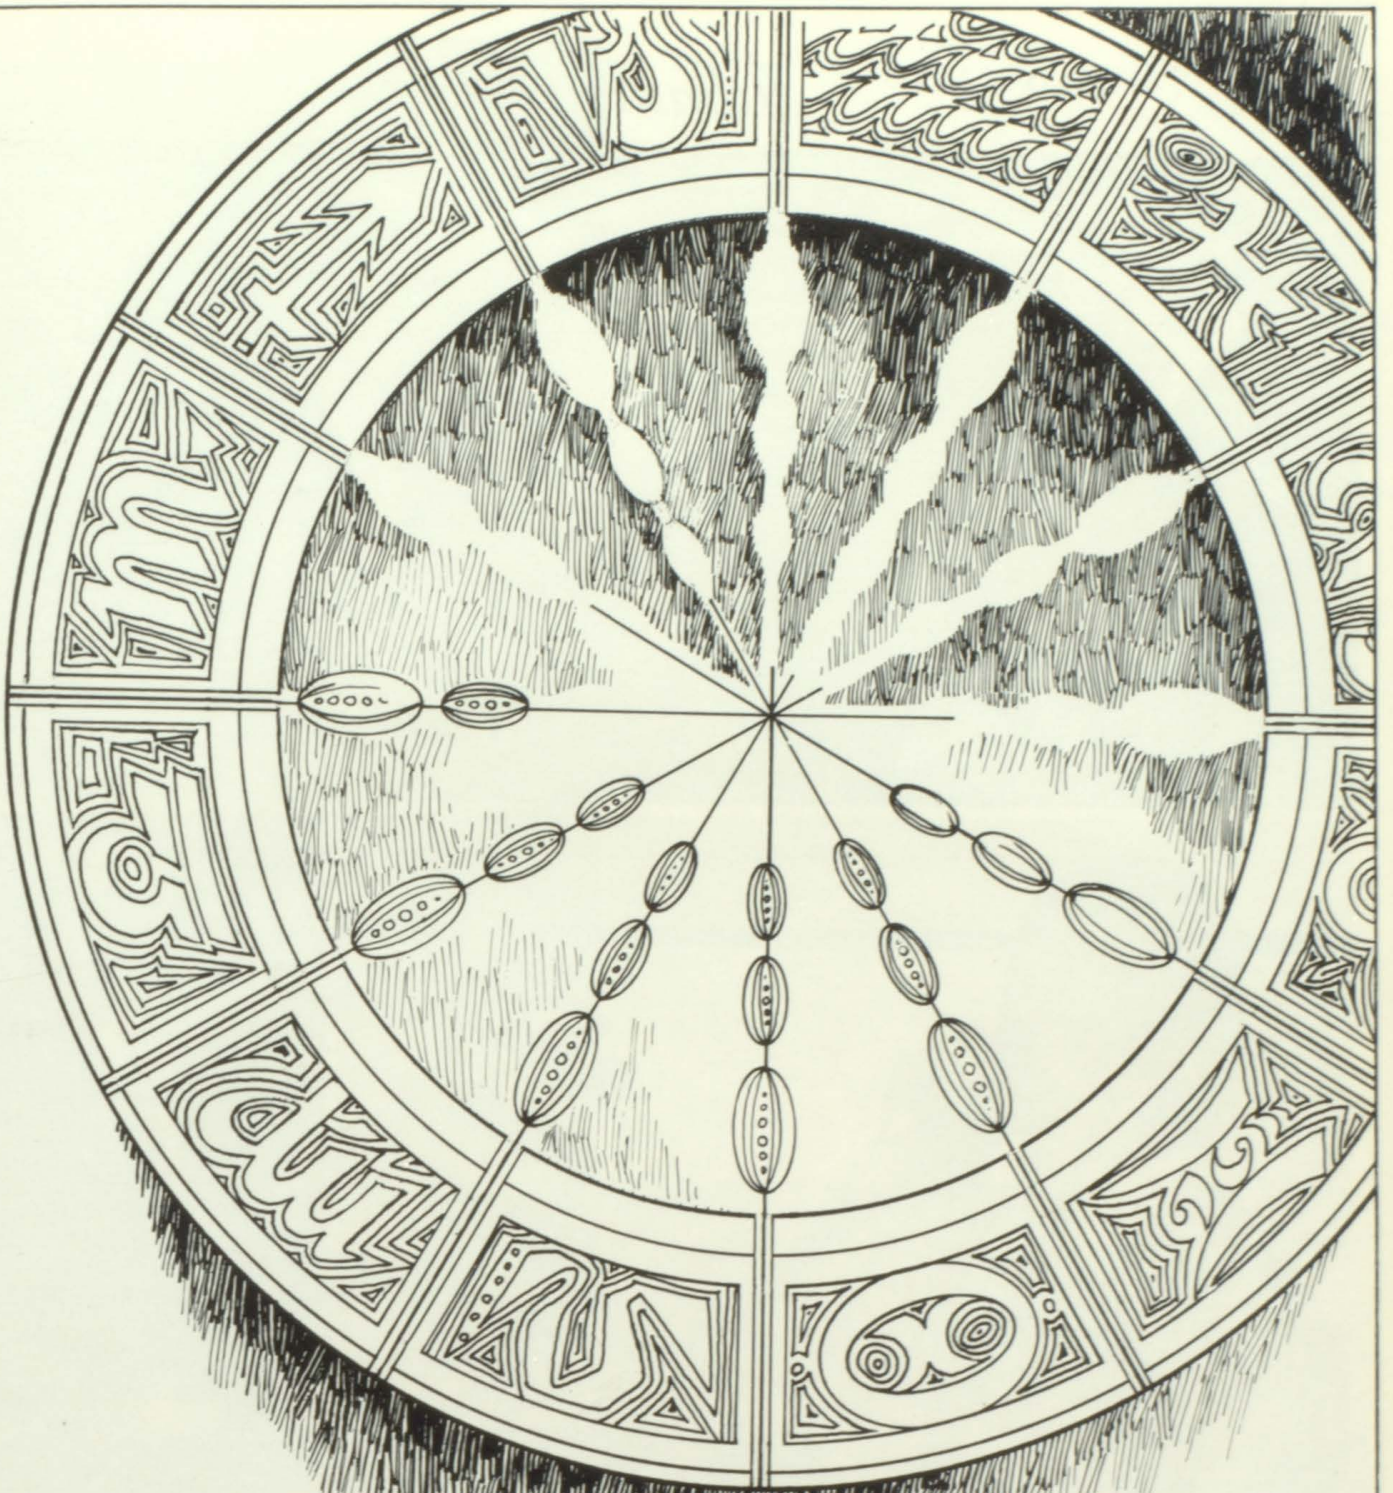

Jackie,  
 Best of luck to you.

## Foreward

What do the stars hold for us? Adventure - Fortune - Romance? The signs of the Zodiac have been famed throughout history for their ability to control the destiny of men. Although nowadays not given much credence, the forecasts of astrologers still hold a certain mystical attraction for us. It is now, as Seniors, that we are particularly concerned with our futures. Will the Libras among us all become jurists or lawyers? Will the Leo's all become rulers or leaders. Hardly; we control our fates to a great extent. Throughout the past years of our schooling, others have labored to teach us how to profitably direct our lives. Now we are prepared to go out and shape our destiny under our stars. But as we do so, we may wonder just how much influence the stars do have on our destiny.

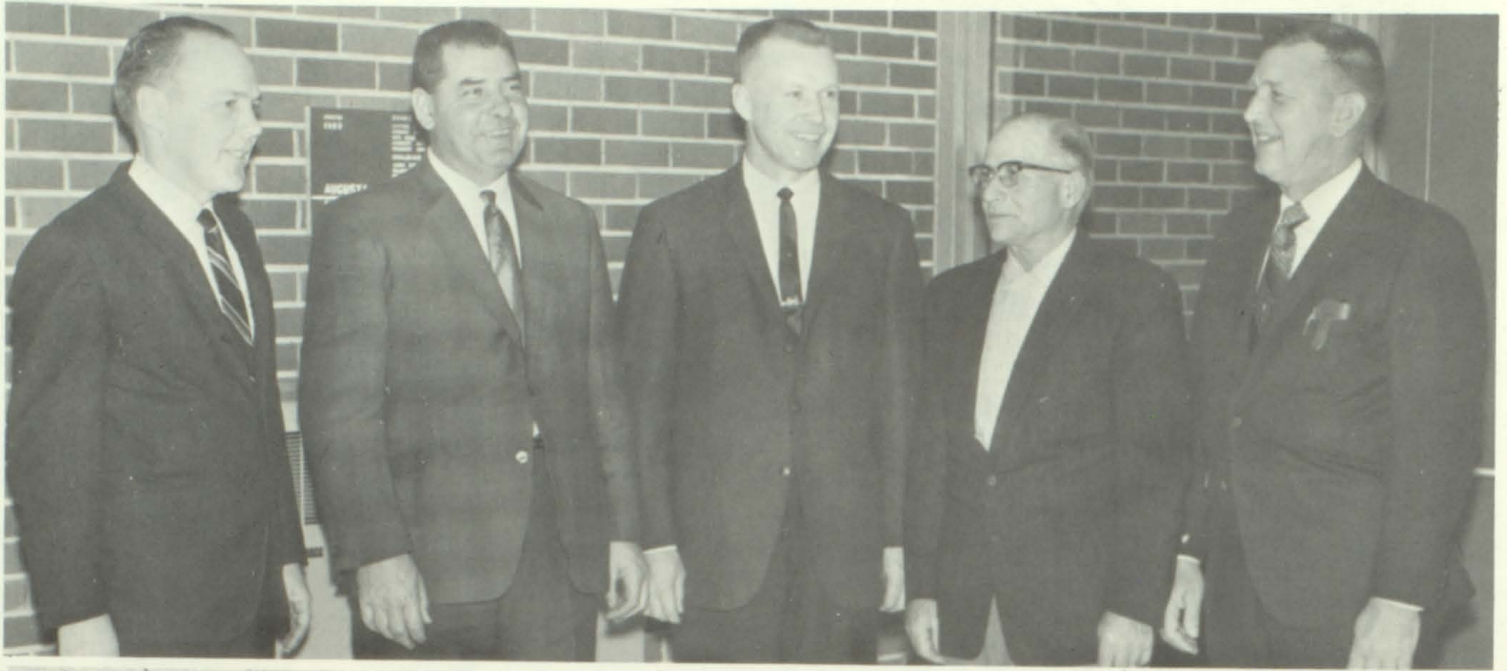

Jacki.

Is a real swell pal -  
a fellow class - I have  
nt heard to much about  
Waye lately - but will let  
you know if I hear any  
thing - you + I'll have  
to get together for a few  
beers next year. See ya next  
year as a senior - have  
fun this summer & be  
good - As Always,  
Mary B.

Jackie-

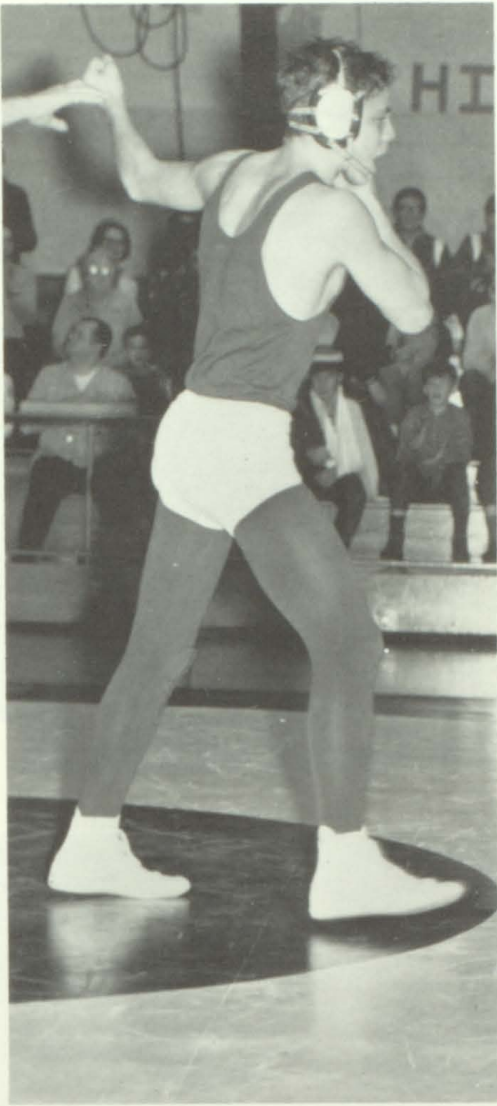

I'll try to leave a few girls alone. But it will be pretty hard. This is the first year I really got to know you, and it's been pretty nice. Take it easy on Dale and his car! A friend always,

Mary (Harv)

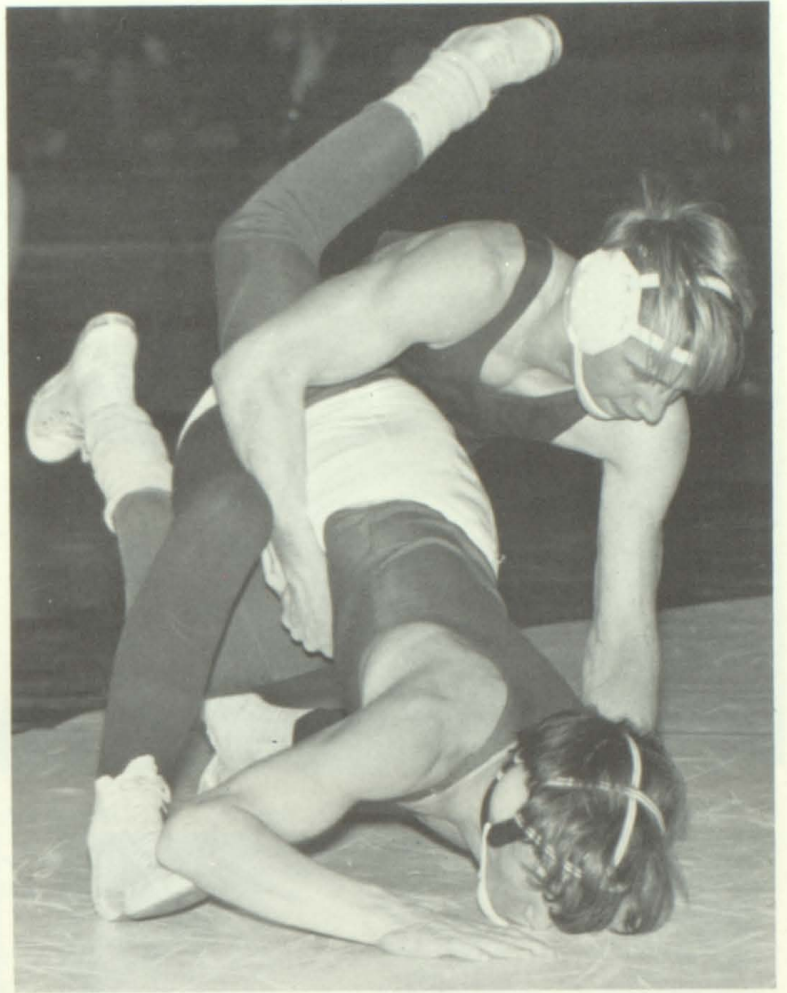

Jackie  
 Best of luck

The ref at work?

Perfection*

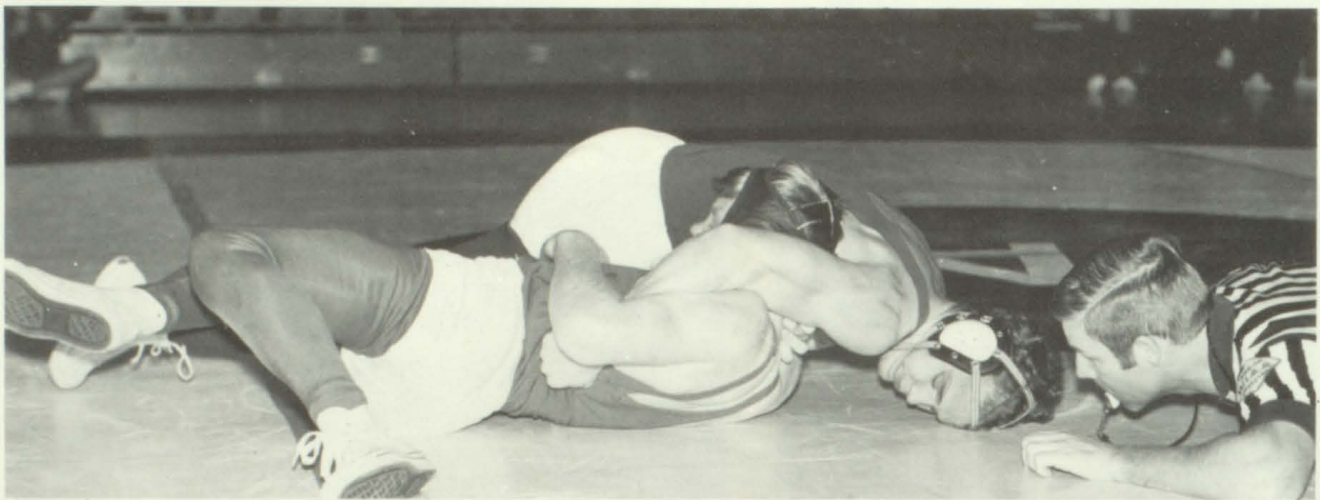

Captain - KIT WARNER, Senior Stars - RON BOHL

*The  
Pin-Up  
Page*

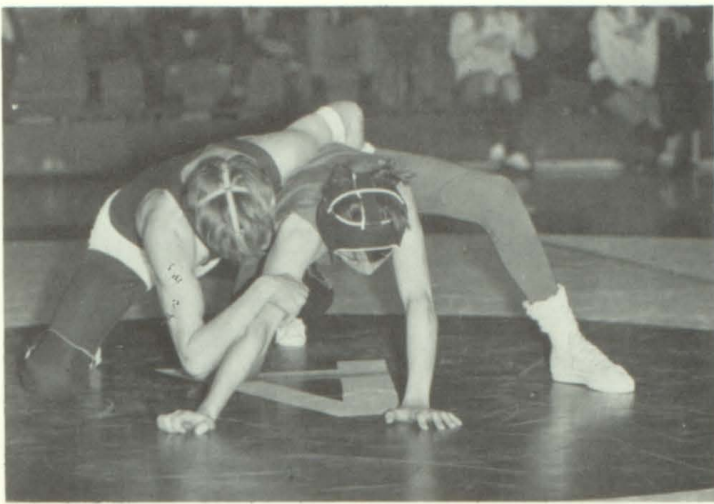

Ron locks his opponent up for a pin.

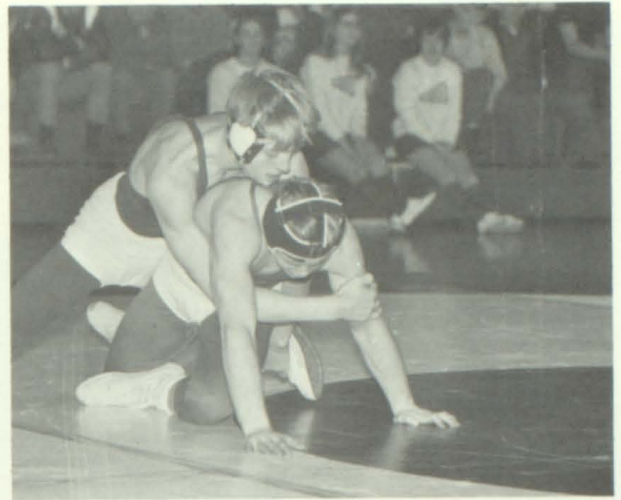

The lateral drop works this time.

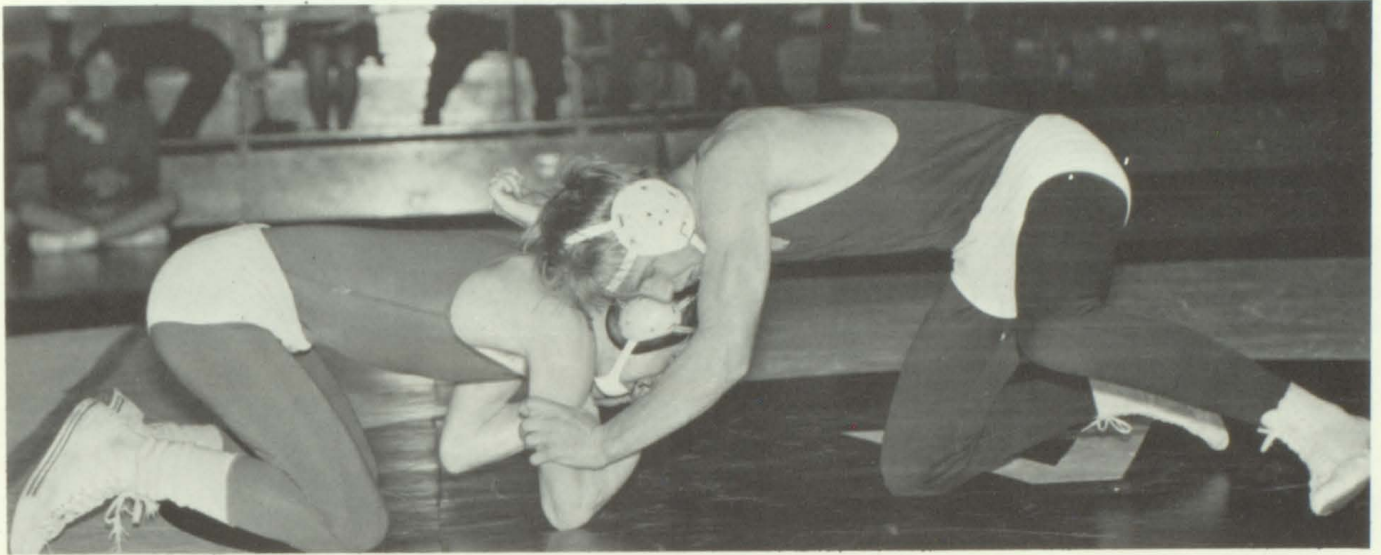

Another pinning hold, this one is off the chin drop.

Jeff trys to keep control.

Gene, our supersub, breaks his man down.

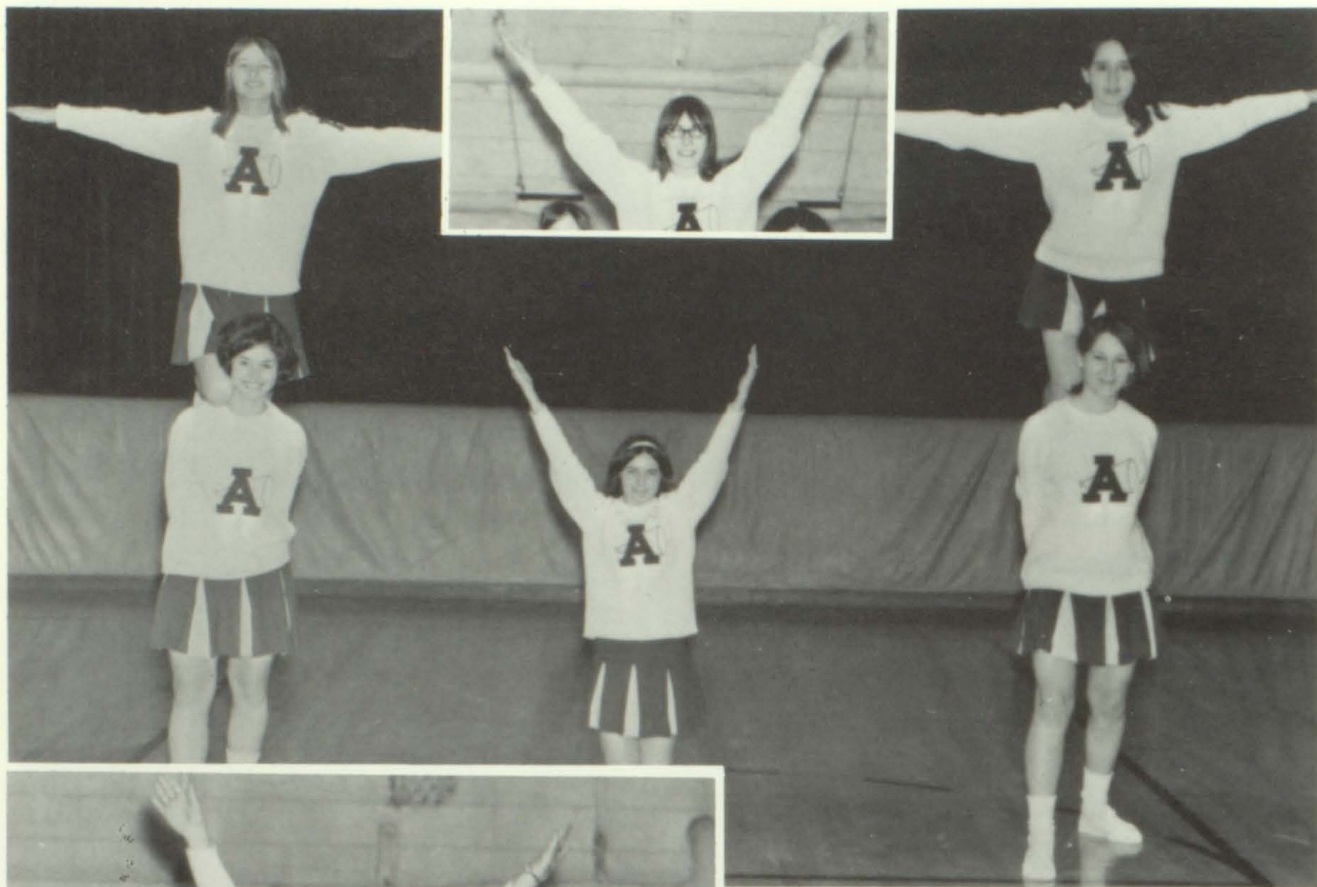

Looks like a stalemate here.

Who has got who?
