1971 BEAVER

AUGUSTA HIGH SCHOOL

AUGUSTA WI

WE DEDICATE

MR. DAVID JACOBSON

MR. RICHARD ANDERSON

Each year the annual staff dedicates their annual to someone they feel has made their years at AHS worthwhile.

This year's theme for the 1971 Beaver is "Time," and time is what these men have given. We would like to dedicate this annual to Mr. Richard Anderson and Mr. David Jacobson.

Mr. Anderson teaches sophomore and junior history; coaches football; Junior High basketball; track; and is sophomore class adviser.

Mr. Jacobson teaches algebra, physics, and chemistry; coaches freshman basketball; and is adviser for NHS.

Both, with their sense of humor and ability to make us "toe the mark," have earned our love and respect.

It's with this love and respect we dedicate our annual to you.

The Class of '71

THIS IS TODAY

Today is here. I will start with a smile, and resolve to be agreeable. I will not criticize. I refuse to waste my valuable time.

Today has one thing in which I know I am equal with others - time. All of us draw the same salary in seconds, minutes, hours.

Today I will not waste my time, because the minutes I wasted yesterday are lost as a vanished thought.

Today I refuse to spend time worrying about what might happen. I am going to spend my time making things happen.

Today I am determined to study to improve myself, for tomorrow I may be wanted, and I must not be found lacking.

Today I am determined to do things I should do. I firmly determine to stop doing the things I should not do.

Today I begin by doing, and not wasting my time. In one week I will be miles beyond the person I am today.

Today I will not imagine what I would do if things were different. They are not different. I will make success with what material I have.

Today I will stop saying "If I had time," for I never will "find time" for anything - if I want time I must take it.

Today I will act toward other people as though this might be my last day on earth. I will not wait for tomorrow. Tomorrow never comes.

FACULTY

ADMINISTRATION

This year the administration initiated the eight hour, sixteen modular schedule into the Augusta Junior and Senior High School. The eight hour day makes it possible for the students to have a wider choice of subjects. As a privilege to students the administration has allowed a pop machine in the cafeteria.

JAMES LARSON

MR. DAVID JACOBSON; MRS. LUCILLE GRANROS; MR. NORMAN HOYME; MRS. ELSIE SMILEY

MATH DEPARTMENT

Mrs. Harriman, Mr. Jacobson, and Mrs. Smiley teach the Mathematics at the secondary education level. Courses like Algebra I, II, Geometry, Plane Analytical Geometry, and Trigonometry will be of immeasurable help in our future vocations.

MRS. ROBERTA HARRIMAN, MR. DAVID JACOBSON.

MRS. ELSIE SMILEY

ENGLISH DEPARTMENT

MRS. DONA WILSON
 MRS. IONE HERRELL
 MRS. YVONNE SILVERMAN
 MRS. BARBARA NELSON
 MRS. MARY PALM

In the English Department this year, a speech class was added to the curriculum to give the students and teacher a fresh intellectual exercise and to broaden the various aspects of communications.

MRS. JUDY FAUST

This year Mrs. Judy Faust was our practice teacher for English 12 and English 9. Through her careful guidance we completed our research papers and the play of Macbeth. We all wish her the best of luck in her teaching career.

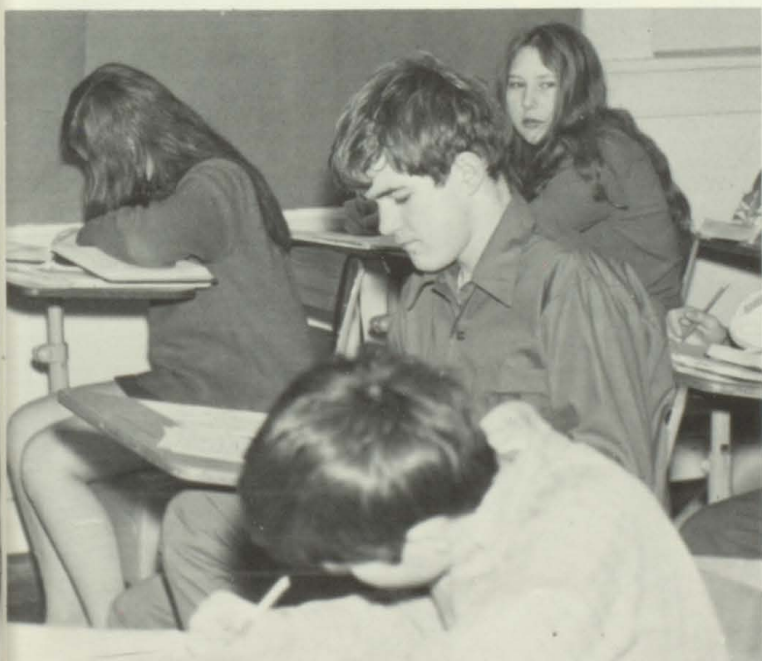

SOCIAL STUDIES DEPARTMENT

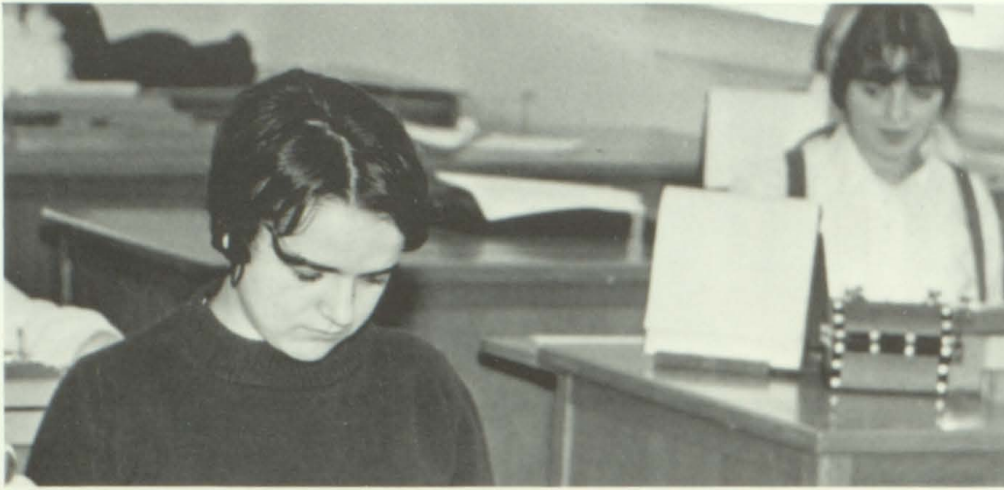

MR. TOM FITZSIMONS
MR. RICHARD ANDERSON
MR. MARTIN HAYS

See all the smiling faces of anyone connected with the Social Studies Department? Especially the teachers. The History-Social Studies Department is divided into three sections. Mr. Hays teaches Junior High World Geography and World History I in the White room (103). Mr. Fitzsimons takes care of Freshman World History II and Senior Problems (American!) in the third floor cell block. Last but certainly not least is the eye-catching figure of Mr. Anderson. He is head of Sophomore World History I and Junior U.S. History I and II in the dingy dungeon.

BUSINESS EDUCATION DEPARTMENT

MRS. JUANITA BUCHHOLZ

Business Education prepares students to be a success in the business world. This year we introduced a new course, Recordkeeping, to give all students an opportunity to learn to keep records.

AGRICULTURE DEPARTMENT

The Agriculture Department stresses farm management, conservation practices, and preservation of our natural resources.

Yes, Steve? That's a groovy book you have.

MR. DAVID GAVIN

"He's outstanding in his field."

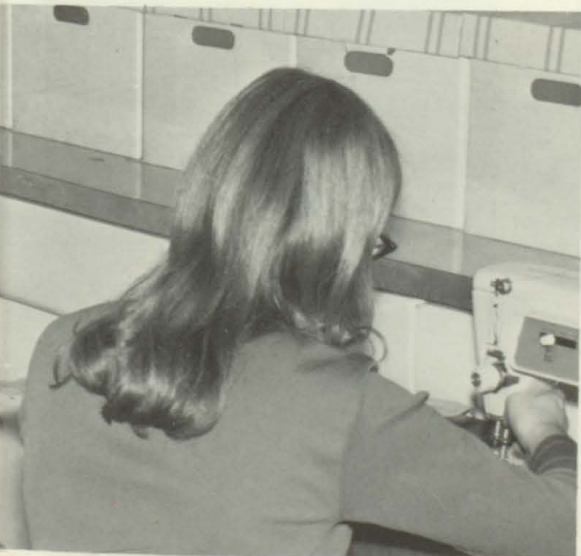

HOME ECONOMICS DEPARTMENT

This year the Home Economics Department added a new class for advanced sewers. The semester course offered the girls a chance to work with more difficult techniques and receive more individual help.

What did he say, Terry?

PHYSICAL EDUCATION DEPARTMENT

Our physical education class teaches us to be happy,
healthy Americans.

MR. JAMES OSBORN and MRS.
LAREA DIEHL

Our Miss Wilson had a big deal in
December, she became a Mrs. Diehl,
that is.

A new study hall system was brought to Augusta
High this year. The new system enables teachers
to spend more time with students.

"There's no escape, Terry."

Another day of hard study.

MRS. MARGARET SOLIE,
Our time-piece in study hall.

MUSIC DEPARTMENT

MR. ROY MUNDERLOH

I still say we're supposed to turn left.

Hey, Jeff what page are we on?

Quit Pointing.

Because of her duties at the Elementary School we were not able to obtain a picture of MRS. CAROL SKUTLEY.

Mrs. Skutley has charge of the Junior High vocal department.

ART DEPARTMENT

MISS KATHRYN WILSON

The Art II students did an in-depth study of sculpture and worked on sculpture projects. They also went into painting, drawing and experimentations of other art forms. Art I students learned the basics of art and also were allowed to experiment on their own.

MR. DAVID RYBAK

AUDIO VISUAL DIRECTOR

Mr. Rybak is the director of the newly established Audio-Visual Department. He is adviser to teachers and students who wish to use this relatively recent learning innovation to further student interest and participation in classes. A favorite project of his is the establishment of an Audio-Visual Resource Center to be located in the library, where students may study on a more individually orientated format.

MISS ELOMA BARTSCH

GERMAN CLASS

After a year without a foreign language it was decided to offer the students German. The new German teacher, Miss Bartsch, teaches German at Augusta High in the afternoon while teaching at Osseo in the morning.

Miss Bartsch has introduced new concepts in the teaching of foreign language.

MRS. ENGLSBY

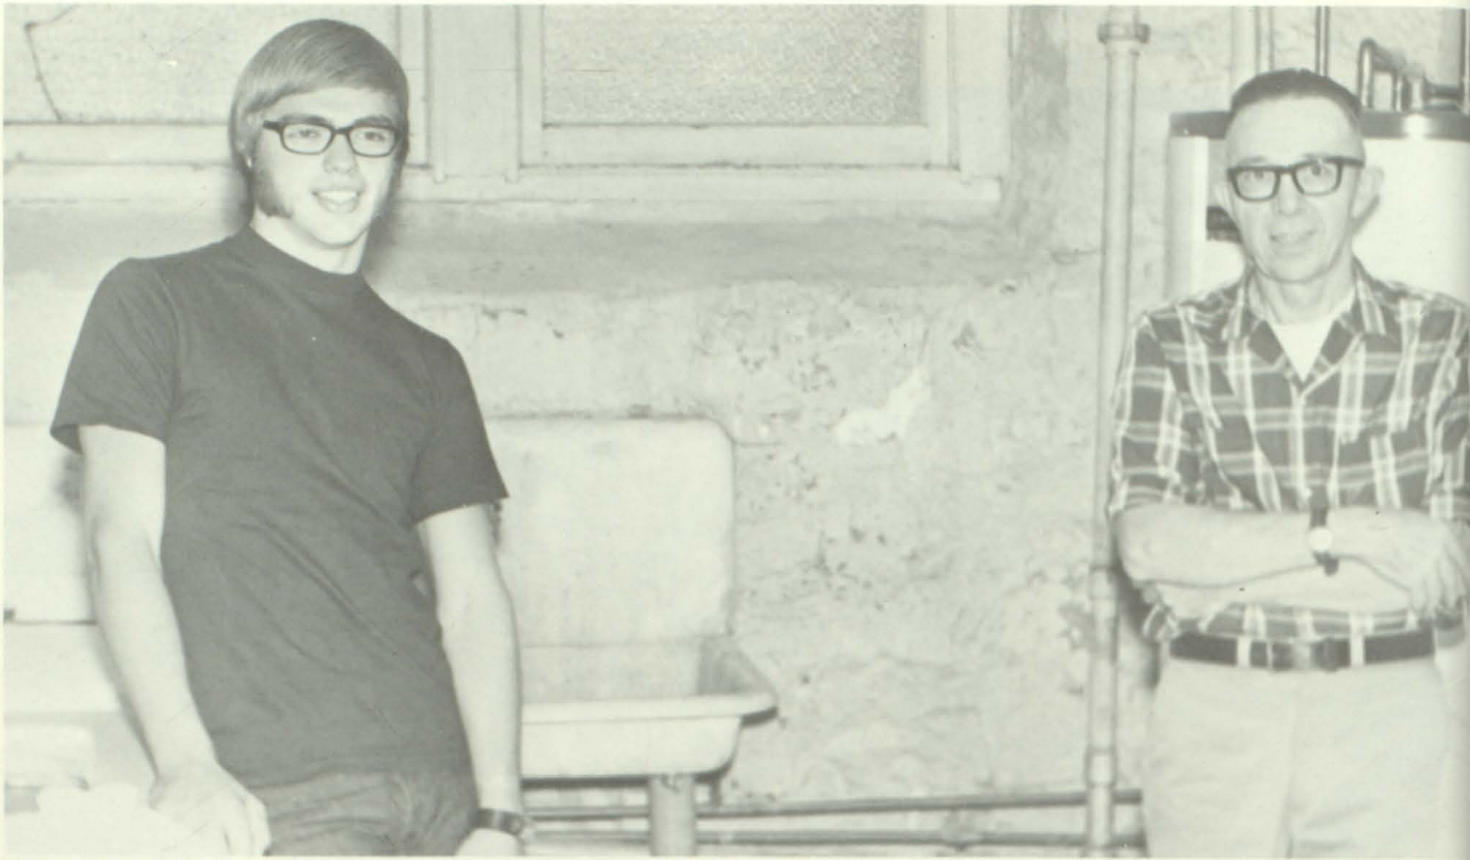

MRS. OLSON

Augusta would be lost without the diligent service of these people.

BUS DRIVERS: Hoff, Boettcher, Boettcher, Setzer, Johnson, Kolbreck, Harriman.

Really, Tell me about it.

Three little Angels sitting in a row.

This year the Freshman class was the sole sellers of magazines. The money raised will be used by the Freshman throughout their high school years. The Freshman float this year was "We'll Gnaw Em To Pieces."

I told you it wouldn't work.

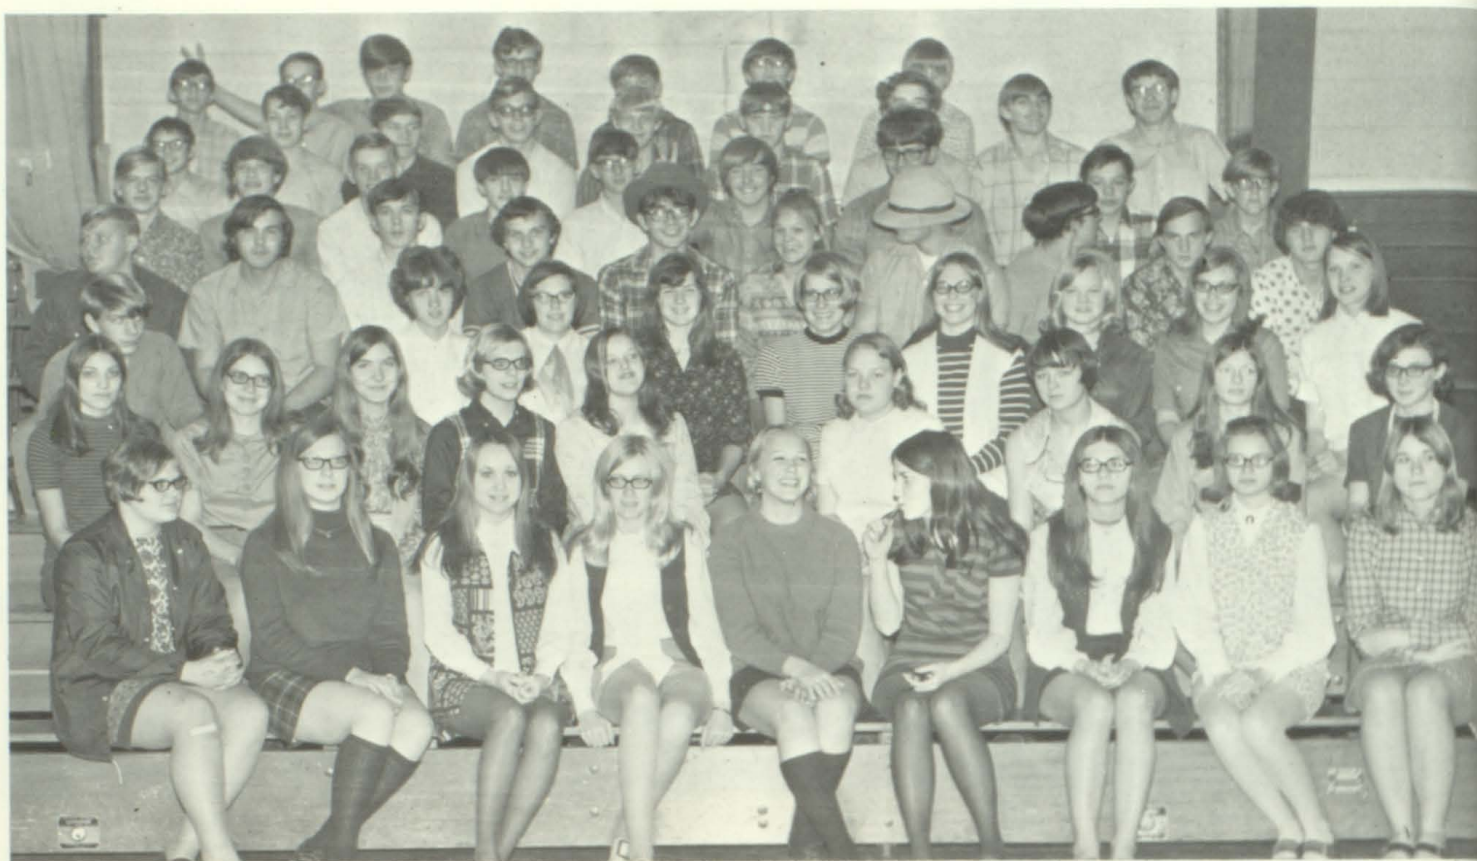

I'll pull this string and then you'll be sorry.

Alright where's my Saint Bernard.

The sophomores have come up to Biology. Starting off with a big anti-pollution drive, they have gone on to bigger and better things (dissecting?).

They also got into Driver's Education - watch out everyone!

At the end of the year they selected their class rings and were very excited over the prospect of receiving them at the beginning of next year.

Everybody loves a clown.

The Sophomore Class Homecoming float "Plunging for a Win"

Snicker!!

Don't worry Brenda you'll get seconds.

This year the junior class had for their homecoming float "No Reservation About A V."

The juniors have had their work load lightened. This year homecoming was sponsored by Pep Club who simplified the decorations. This year's prom was discontinued due to lack of funds and interest.

Grin and Bear it.

How?

Larry Brunzlick

Considering that the team had to forfeit 10 pt's each match the wrestlers compiled a fine season record.

The referee looks tired.

WARM UP ACTIVITIES

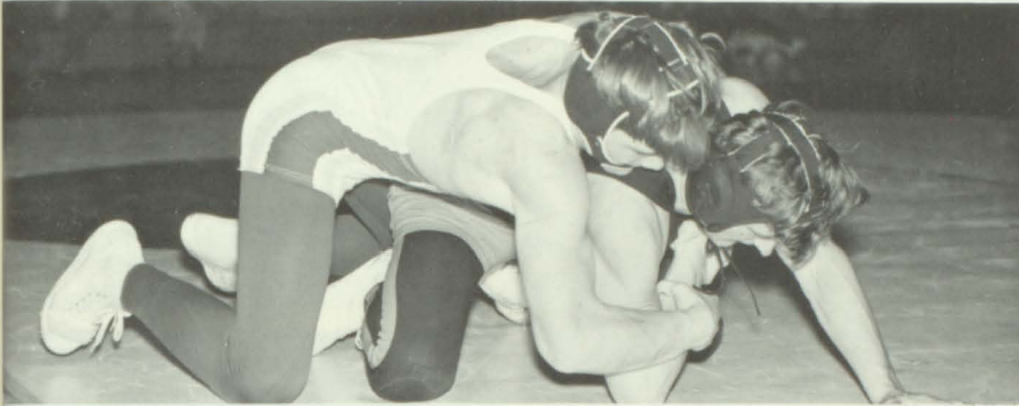

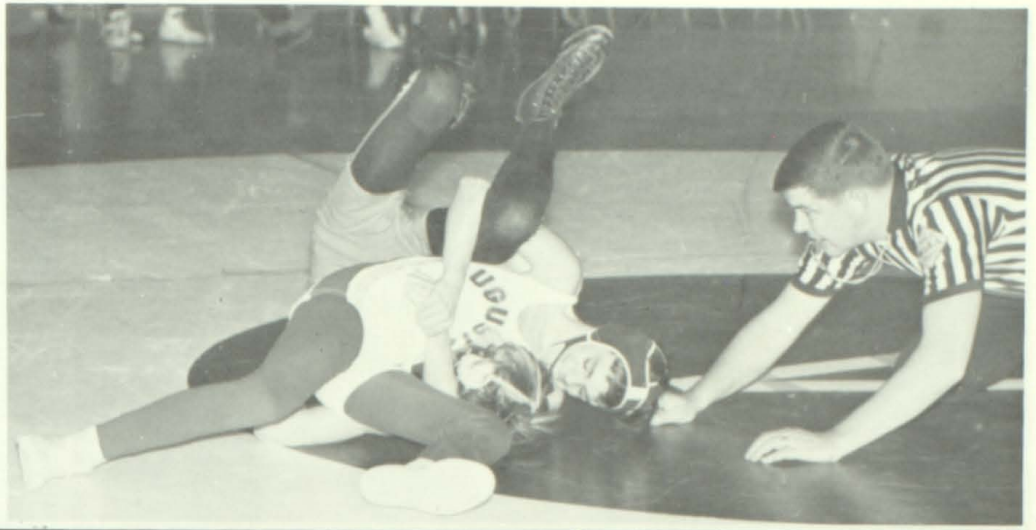

Wrestling is a sport of many emotions.

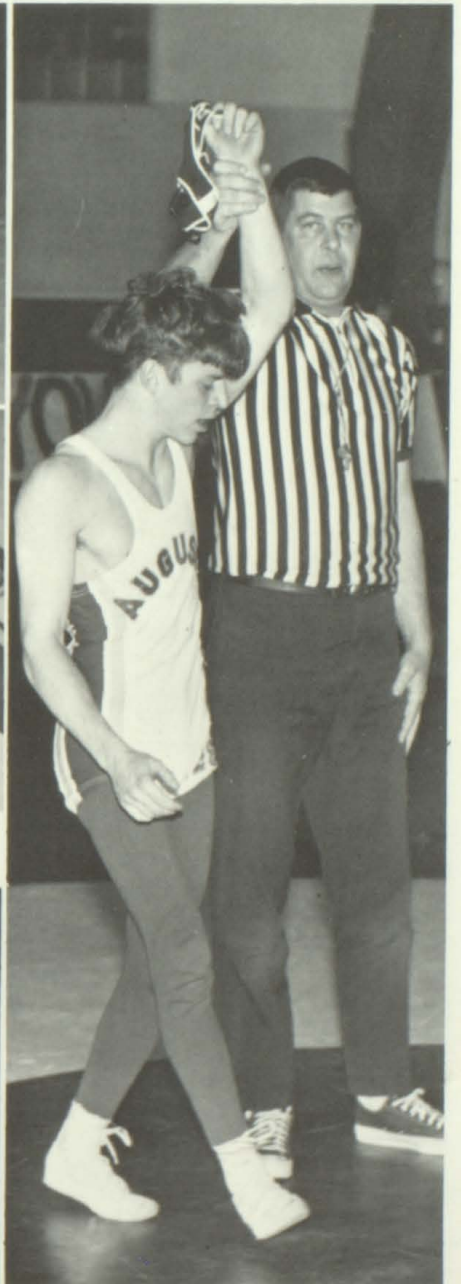

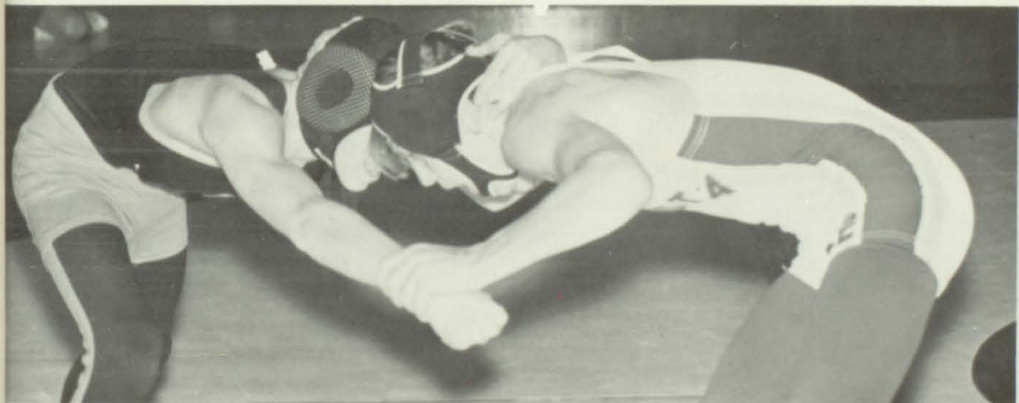

Advice from the coach: Sportsmanship and Encouragement

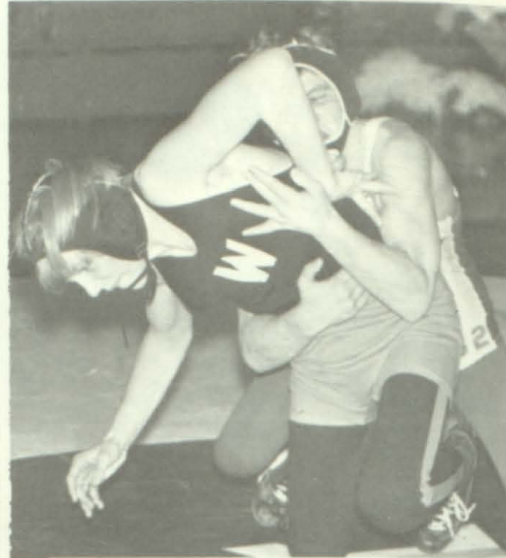

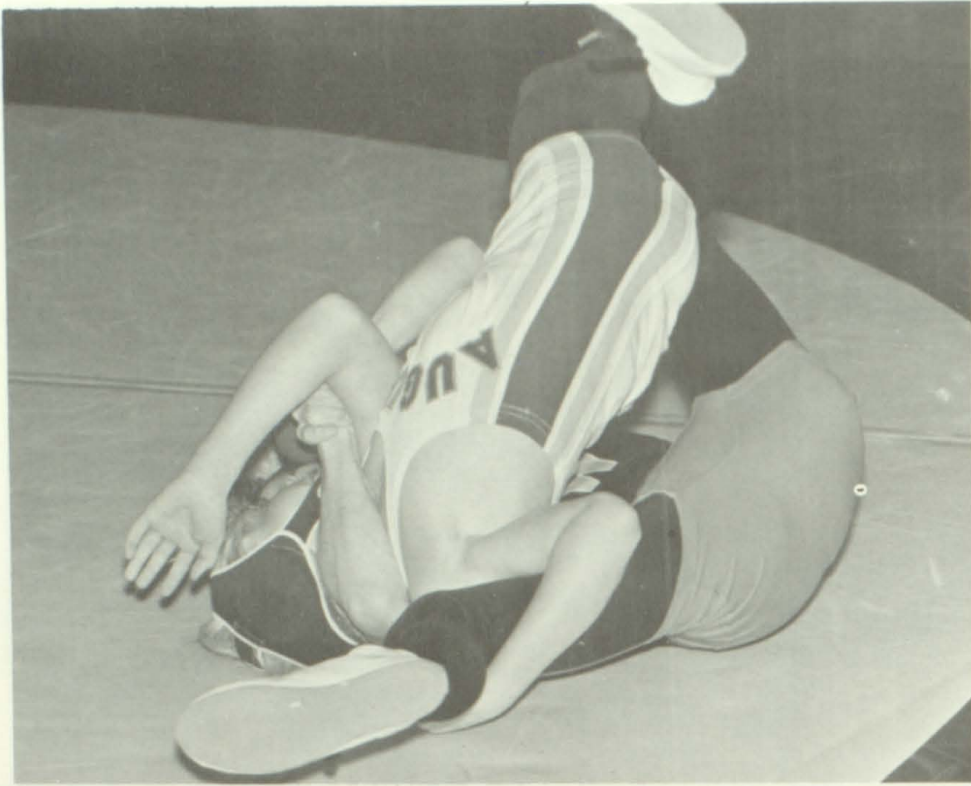

Ouch!!!

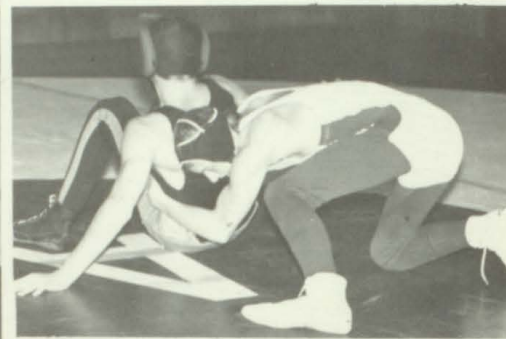

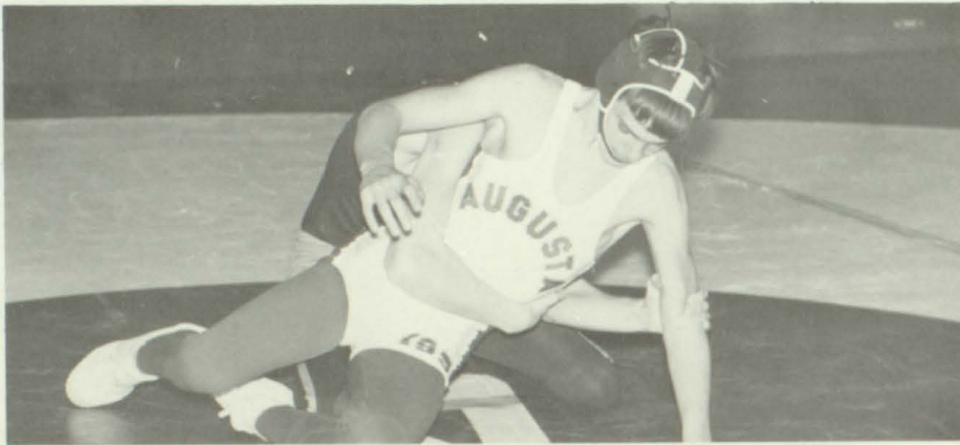

The Final Quest

Larry Brunzlick set a school record of 11 pins this year. Larry who received a second in his weight class at regionals advanced to the sectional. At the sectional tournament he was defeated.

I sure wish you'd put your arm down.
