WELCOME TO AUGUSTA

The senior class was glad to have two foreign exchange students this year. Ari Immonen, from Finland, and Jacob Christensen, from Denmark. They taught us about our cultural differences and similarities. Jacob, with his constant sense of humor, kept us laughing throughout the year. Ari *doesn't know* how much he will be missed. The class of 1985 would like to dedicate this annual to Ari and Jacob since we hold in high regard the time they spent here with us.

DESTINATION UNKNOWN

Life is so strange
When you don't know
How can you tell
Where you're going to
You can't be sure
Of any situation
Something could change
And then you won't know . . .
Ask yourself
Where do we go from here
It seems so very near
Just beyond as far as I can see
I still don't know what this all means to me
Tell yourself
I'll have nowhere to go
I don't know what to do
And I don't even know the time of day
I guess it doesn't matter anyway
Life is so strange
Destination unknown
When you don't know
Your destination
And something could change
It's unknown
And then you won't know
Destination unknown
Life is so strange
You ask yourself
When will my time come
Has it all been said and done
I know I'll leave — when it's my time to go
Until then I'll carry on with what I know
Life is so strange.

The 84-85 football team had a very rewarding 10-1 season this year, finishing second in the conference. The team was led by hard-hitting seniors: Troy Bechtal, Scott Bowe, Ari Immomen, Gary Johnston, Joe Moyle, Ora Schmidt, Joe Shafer, Don Steinke, and last Peter Stense. Beavers started the season with an eight-game winning streak, with major victories over Whitehall and Eleva-Strum Central. The team, however, suffered a disheartening loss to O-F, shattering their hopes for a conference title. Joe Moyle provided a major highlight being selected Player of the Week, after a win over C-FC. The seniors, with help from underclassmen, constructed a great team, and made parents proud by playing some phenomenal football! The AHS coaching staff under the leadership of the one and only Tom Crowe were very helpful to the team and brought pride to the people of Augusta Community. Onward 86!

The seventh and eighth grade football teams had a very successful season this year. Though the eighth graders had a little trouble winning, each person that participated was able to improve his skills in preparation for next year. While the seventh grader's record was more impressive, they, too, worked hard on improving their individual skills.

Special thanks go to Mr. Randy Stutzman and Mr. Jim Ganrude for all their work in coaching these fine football teams.

The 1984 Varsity Volleyball team had a successful and satisfying year. Under the leadership and expert coaching ability of Chuck Forseth, they performed together quite well with a season record of 10-1. The only team they failed to beat in conference play and at Regionals was Whitehall, thus the Beavers were second in the conference. The Seniors leaving this year's team are: Joey Carlino, Dianne Deaton, Lisa Knuth, and Pam Sieg. The departing Seniors would like to wish the underclassmen continued success in next year's season.

The girls varsity basketball team had a very good season this year. After losing six seniors from the team last year, the girls had to learn more skills as the season went on. Under the coaching of Mickey Vandehey and assistant, Tom Crowe, the Beaver girls ended with 14-5 record. In the middle of the season Senior player Bev Harl left the team and moved back home. She was missed by many, and the team lost a good player. But, they worked hard and kept on winning. In tournament play at the end of the year, the girls played Fall Creek, but lost. Eight Juniors from this year's Varsity team may return next year to what will hopefully be another great season.

The boys varsity basketball team had an eventful season this year. Coach Jeff Jacobson and assistant coach Steve Krueger really worked hard with this year's team. The season ended with a 11-8 record. There were many changes made on the team over the season. With all these switches being made in the lineup, a lot of work had to be done by the coaches to keep things together. Two Seniors will be leaving after this year, but the remaining players are very hard workers. We hope the team keeps getting better as the years go on.

"Impromptu"

IMPROMPTU

Drama was brought back to Augusta High School with a small one-act play, *Impromptu*. Directed by our new drama coach, Betsy Damon, and assistant director, Jeff Lambrecht, the play was a new experience for those involved.

The plot dealt with four actors attempting to do an impromptu play, no script, no director, but an interesting play on life. The cast included Amy Luedtke, Bob Knuth, Jennifer Bauch, and David Shong.

Once again the FFA has sponsored activities. Led by the officers, the members planned and participated in events. In the fall, the annual fruit sale was held as the chapters fund-raiser. Members, Rita Smith, Dianne Deaton, and Peter Pettis went to National Convention in Kansas City. In January, the Corn for Birth Defects drive was held. Members collected farm commodities and donated the money to Birth Defects. This winter, members played other local chapter basketball teams. Highlights in the spring include the National FFA week, the annual banquet, and the River Falls Agriculture Technique Contest. Eric and Peter Pettis filled out state farmers applications and hope to receive them at state convention in June.

From Left to Right: Theresa Nauman, Brenda Nobles, Adella Fremstad, Marie Seufzer.
