FOR MOM AND DAD

The bridge of time has collapsed,
And with it our memories
Everything is all but forgotten,
Except in our yesterdays
Where our learning process,
Had just begun
When Mom and Dad took us
By the hand, and led us
Through good and bad,
Through light and dark
Through the day
And through the night
Through the months,
And through the years
They led us, Mom and Dad
Through the point of "no return,"
Through the yesterdays
And they shall continue to lead us
Through today, and tomorrow
For their memory
Shall live with us, forever
Through good and bad
Through light and dark
Through today, and tomorrow
Forever, they shall live.

Augusta students had an opportunity this year to learn about South America. Our foreign exchange student for the 1985-86 school year was Ivana Pereira Goulart. Ivana's home is in Goiania, a city in Brazil. Ivana's American family was Mr. and Mrs. Lloyd Smith. She says she likes her new family and had felt at home since she arrived.

Goiania has a population of 1,000,000. She said, however, that a city of 75,000 is small. When applying for foreign exchange, she asked to be placed in a small city. She was expecting one with a population of around 75,000 to 100,000. She said, however, she likes Augusta because it is so small. She likes the people, also. She describes the citizens as friendly and talkative. She also likes the school, but wishes it was more like hers in Brazil.

In Brazil school hours are from 7:00 in the morning until noon. The students do not have studyhalls or lunch periods. Students remain in the same classroom throughout the day. She said this is better, because students have an opportunity to become closer to their classmates. They become friends instead of classmates.

Teens in Brazil have the same recreational pastimes as teens in America, she noted. The exception she said is that the United States has a minimum drinking age, Brazil does not. This is better she said, because teens in America drink because it is prohibited. In Brazil drinking is not as popular, because there is not a controversy over it.

Ivana noted a few differences between Brazil and America. Number one on her list is the language. Radio stations in Brazil play a variety of music in different languages from several countries. Incidentally, her favorite Brazilian singer is Milton Nascimento and her favorites in America are Phil Collins, Lionel Richie, and Madonna. Another major difference for Ivana was the seasonal weather. Brazil is always summer-like. She adores autumn and loves the color change in the trees. She said it is like a post card. Ivana anticipates her first snowfall and thinks she will like it. She said, however, she may not like the cold. It very rarely reaches a low of 2° Celcius or 36° Fahrenheit in Brazil. The weather is normally 20° to 40° Celcius.

Ivana thinks the student exchange program is "great." She noted that it is a good learning experience. She hopes students in Augusta will take advantage of the program and go to Brazil.

Prom 1985 was held on April 20, 1985, at 8:00 p.m. in the Community Center. The theme, "A Night in Heaven," was selected by the Juniors and brought to life by the imaginative decorations, in which, the class "invested" a lot of time, effort, and MONEY. "You're the Inspiration," by Chicago, was chosen as the theme song and music was provided by NIGHT WINGS. The class of 1986 would like to thank everyone that contributed to Prom 1985, especially Mrs. Meyer.

The Augusta FHA Chapter emphasized the "Student Body" national nutrition project this year when they installed a food machine featuring a variety of nutritious snacks.

Their busy schedule also raised money for the March of Dimes through the October scavenger hunt and the spring "Walk America." Members were honored to receive 1st place in the State March of Dimes poster contest for the FHA theme for the fall district rally also qualified for state competition in April.

Other events included the Thanksgiving dinner for the nursing home residents, competition in the district Recognition Events, attendance at the national fall workshop in St. Paul, National FHA Leadership Conference in Green Bay, and the Senior Awards Breakfast, as well as a variety of in-school projects.

The major goal of Future Homemakers of America is to help youth assume roles in society, through home economics education, in their personal growth, family life, vocational preparation, and community involvement.

The Varsity girls had a strong returning team. With only one lose in Conference the previous year, they were the team to beat. They took Conference with a perfect record of 11-0. The girls took first at Regionals after a heart-stopping match against Fall Creek. After a very long day of volleyball at Kickapoo, the girls lost a play-off game to Riverdale. They took second at Sectionals. Congratulations Coach Forseth and girls on an excellent season. We would like to wish the girls next season a good one.

The Augusta girls' basketball team had a good season this year. They tried very hard to make this an eventful season. We are all proud of them. Thanks to Coach Dennis Lee and Assistant Coach Sharon Horel for helping the girls' basketball team in their basketball season. We wish the remainder of the girls' basketball team the best of luck in their remaining years.

Brian the Barbarian Overrules!

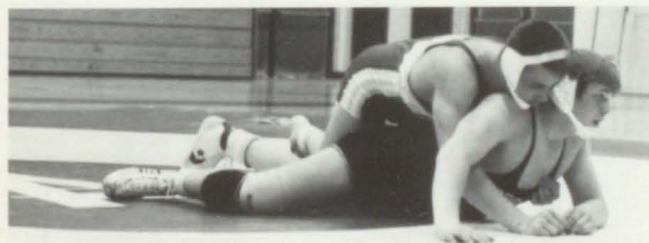

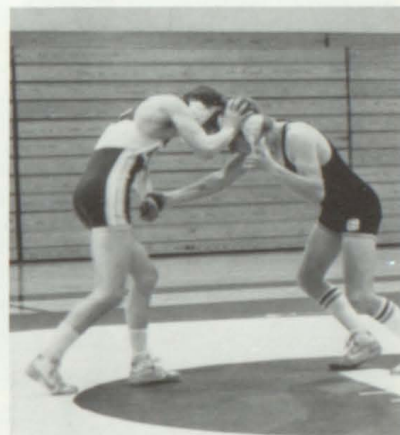

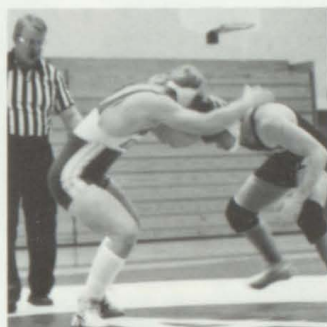

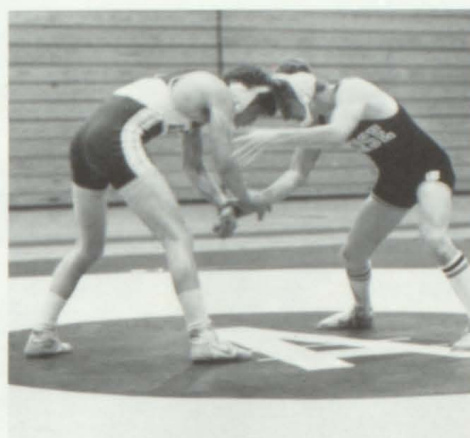

Jim in action once again!

This year's varsity wrestling team was guided by an enthusiastic and well-to-do man, Mr. Dan Ries. Co-Captains, Brian Solsrud and Daryl Travis showed excellent leadership toward the other wrestlers. Although the squad was small this year, the team made the best of it. We are proud of them. We wish the wrestlers next year the best of luck in their sport.

The Sophomore class of '88 showed their enthusiasm by winning the spirit stick during homecoming week. Many of the Sophomores attempted to receive their "big-wheel" permits from Mr. Vandehey, unfortunately most of them accomplished their task. Members of the Class of '88 also received their class rings. They were advised by Mrs. Buchholz, Mrs. Goplin, and Mrs. Paul.

This year Freshmen had a busy year. In the early spring, they held a magazine sale to fund some of the events that they had planned to hold. They raised close to \$1000.00. In January they held a lock-in at the YMCA for all of the members of the class. February they sold candy to raise money. They sold the candy for all the sweet-hearts to send to their loved ones. The Freshman class has also tried to keep in touch with class-mates who have moved away. Freshman officers have been put in charge of writing letters to keep past class-mates in touch with their old friends.

Congratulations and Good Luck!
