This is an extremely intellectual flick responding to the dangerous minds of Augusta High. Actors were rattled by last minute role and location changes, loss of valuable veterans, and inexperienced rookies. Still, the show went on. They did their best not to let budget and set shortages mar their performance. This film is very believable in its concern for students. A passerby could even detect a hint of excitement and fun in the cast. We give it a full three knishes.

# NINE TO FIVE

**Starring:** Pennie Evenson, Pam Stubbe, Ginger Rosentreter, Linda Flick, Kay Goss, Bill Englesby, Merl Solberg, Dean Balliet, Diane Walker, George Stanek, Theresa Seufzer, Dayle Sell, Rita Kolpein, Dean VonHaden, Ron Bowie, Dean Place, Ed Meyer, Ron Boettcher, Gary Eckel, Bill LeBarron, Len Ball, and Harvey Schwoch

**Review:** Imagine a school full of dirty, hungry, and unorganized students with no one to complain to. In fact, imagine that we built a school and no one came. This is exactly what we would have without our supporting staff, janitors, cooks, secretaries, and bus drivers. These hardworking individuals are often overlooked and taken for granted. This show will keep playing whether you watch it or not, but you could learn a lot from it. Two thumbs up!

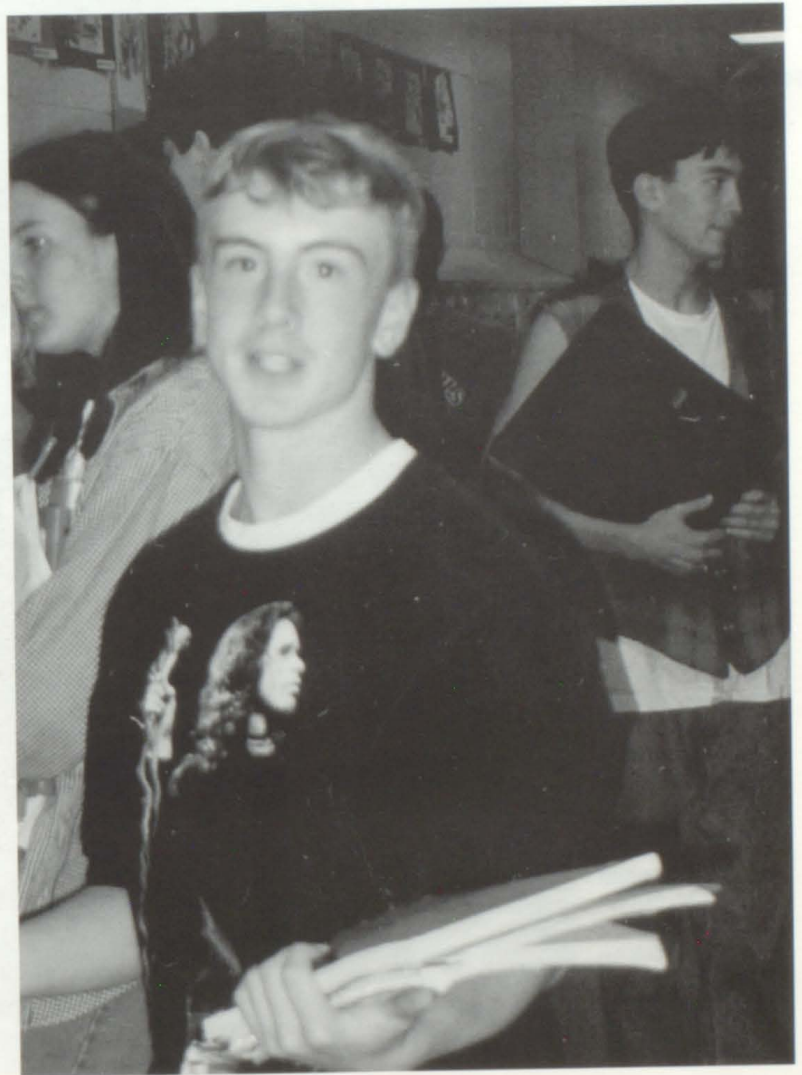

# THE KING AND I

**Starring:** Kenneth Stahl, Fred Brown, Rick Berg, Kent Dickinsen, Jody Hahn, Carol Peuse, and Bonnie Marcheske

**Review:** This is an intellectual film depicting decision making and administration at its best. It addresses all technical difficulties with consideration of students, faculty members, and the surrounding community. They put to the public a 8.6 million dollar referendum that included classroom additions, an auditorium and a swimming pool. Critics agree that it's a dirty job and the right people are doing it well.

After struggling through the first year of high school, the sophomore class came back with a new attitude. "One year down, three more to go till we get out of this @\$#!." A year's worth of high school experience gave them the power they needed over the "underclasspeople." Walking down the sophomore hall was made difficult because they held their heads high and their shoulders spread wide. Driving cars, wearing shiny rings and stiff letterman jackets were all things that brought great pride to the class of 1999.

Unity and respect for others. That's what the class of 2000 found in themselves. There may have been a spat or two or three back in middle school, but being a freshman has changed them. Many new challenges came along with the part of being a freshman, but these students were always ready to take on whatever came their way. Enjoying all the benefits of being in high school as the year went on was just another thing the class of 2000 spent their time on — playing football, being in Jazz Band and FFA just to name a few. With high spirits and attitudes, hopes of making it through high school have become a reality.

Christopher, Where has  
 the time gone? Seems like  
 just yesterday you were  
 playing He-man without a  
 care in the world. Now  
 the whole world is open  
 to you, like He-man you  
 will get out of this world  
 what you put into it  
 (there are no free rides). I  
 am proud of you and  
 your accomplishments,  
 and the way you have  
 overcome all of life's  
 disappointments that have  
 been dealt to you. The  
 world is yours, take it.  
 Love, Dad

Congratulations, Corey!  
 We are extremely proud  
 of the fine young man you  
 have become and couldn't  
 have asked for a better son.  
 Good luck in the future and  
 we hope you obtain all your  
 goals. Thanks for the  
 memories! We love you!  
 Mom, Dad, and Crystal

 of humor will  
 always carry you  
 through. Make  
 your mark on the  
 world and let them  
 laugh. — Mom

 Congratulations. Go  
 for the net or rim in  
 whatever you do.  
 We love you,  
 Missy, Matt, and  
 Maranda

Nicki-  
 Congratulations. We hope the  
 future brings all the success and  
 happiness you deserve. It sure  
 isn't going to be the same  
 without you here.  
 Love,  
 Erin, Miah, and Cody

Dear Pamela,  
 You are graduating high school this year-  
 it seems like only yesterday when a bubble  
 bath was the bridge to all of your dreams.  
 Did you ever dream that the bridge would  
 span the years of your childhood all the way  
 to the senior class valedictorian and  
 aspirations of architectural engineering? We  
 are so proud of you. Never stop dreaming.  
 Your dreams are what keeps the smile on  
 your face, the twinkle in your eye, and the  
 love in your heart.  
 Love, Mom and Dad

Dear Tara,  
 We can't believe that it's time for our little girl to  
 go to college. We pray that if any curves are  
 thrown in your path, you are strong enough to  
 handle those curves. Just in case the road gets too  
 hard, we will always be there for you. We love you  
 Tara, you're a very special daughter, sister, and  
 aunt. God bless you always and keep you safe.  
 Love Always,  
 Dad, Mom, Kara, and Zackariah

Cynthia,  
 Congratulations! You are  
 a fine daughter and big  
 sister. We are very  
 proud of you. We wish  
 you the best of luck in  
 everything that you do.

 you want and go  
 for it. With all  
 our love and  
 blessings.  
 Mom and Dad

Chris,  
 We are very proud of  
 you. Thanks for setting a  
 good example for the  
 younger kids who look  
 up to you. We especially  
 enjoy your great sense  
 of humor. Remember to  
 always treat everyone  
 you meet with dignity  
 and respect and learn to  
 value the differences in  
 people. Above all, be  
 true to yourself.  
 Love,  
 Mom and Dad

Cin,  
 I will not walk in front of you,  
 for I will not lead.  
 I will not walk behind you,  
 for I will not follow.  
 But I will walk next to you,  
 as your best friend forever.

Thanks for all the great  
 years! No matter where we go  
 in life, keep in touch!  
 Luv Always,  
 Missy nee

Nikki, Elena, Katie, Bobbie, Melissa, and Kim:  
 As the words of the Brownie song go:  
 "Make new friends, but keep the old. One is  
 silver and the other's gold." We chose our  
 separate ways, and we all made new friends.  
 Now as we approach our last days, we join  
 together, as our last year ends! Good luck

**Directed by:** Steve Velie and Ann Goplin

**Review:** Despite its sometimes dreary setting this movie was a rollicking action adventure. The actresses worked hard to put a winning team together, and those who remained did. They may not have all made it to State, but they made a lot of friends and had a great time. I give it five stars. We hope you did not miss this exceptional smash-hit before it flew by!

# RUNNING MAN

**Starring:** Brady Anderson, Eric LeClere, Quinn Osborn, Mark Raycher, and Dave Thaler

**Appearances by:** Chris Reetz, Ryan Schmitt, Kyle Brunzlick, Nick Brevik, Paul Sauers, Mike Stensen, Jason Clark, Shane Carey, Shaun Nelson, Greg Hazard, Jesse Buttke, Jason Pettis, Wade Brost, Kyle Schwoch, Will Jacobs, Chris Jensen, and Charlie Barnett.

**Directed by:** Ron Prochnow, Roger Skifstad, and Michael Barrett.

**Review:** This is a very fast-paced flick, up to fifteen miles per hour in places. Running man is jam-packed full of laughter, tears, wins, disappointments, friendships, and surprises around every corner. Definitely a must-see.

**Review:** This flick was wild. The actresses practiced, practiced, and practiced some more to prove that they belonged in the winner's circle. The team prevailed through turmoil and hardships. Combining two schools was no easy task, even though the girls worked together quite easily. This team shone brightly through the rain and the cold. Taking care of business and having fun were part of the criteria. Adjusting to the loss of some seniors was made easier by the underclassmen. The sequel should be even more exciting. Give the film two-thumbs up!!!

**Directed by:** Paul McIlquham

**Review:** The flick started off slowly due to the number of ineligible stars — grades and not sticking to Kool-Aid caused a lot of problems. When the starters returned, they got down to business and played some ball. During rain or shine (mostly rain) while thunder rolled and lightning struck, dedicated fans sat and cheered under their umbrellas. A few games were cancelled or rained out, but all in all, it turned out to be a very good season. Whoever said getting wet wasn't fun.

# HAPPY GILMORE

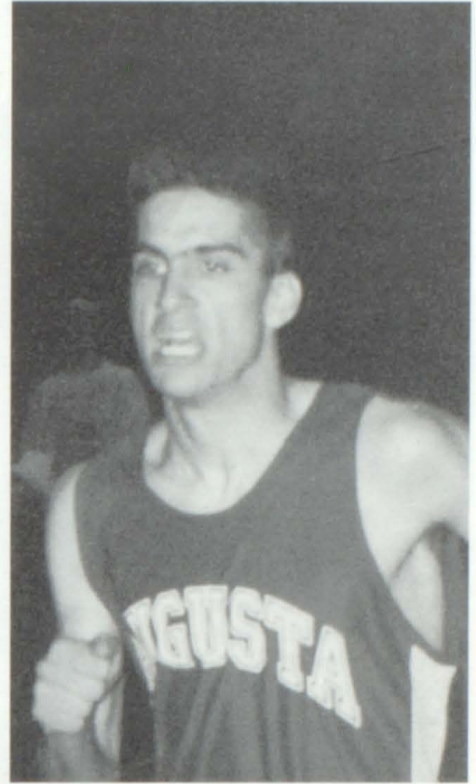

**Starring:** Brad Klatt, Greg Lawson, Lars Forseth, Trenton Berg, Andy Sudbrink, Eric Brown, Jessica Hinojosa, Tom Zemple, Cory Dahl, Joshua Schroeder and Matthew Erdman

**Directed By:** Rod Anderson

**Review:** Among the new and exciting experiences this year, the first female golfer was found on the course. Once the lucky hair color was found, they struck the course with drivers, irons, and putters. This "fore-star" film followed a steady course and struck a hole in one.

# FORREST GUMP

**Starring:** Chris Jensen and Shane Carey

**Appearances by:** Wade Brost, Jeremy Boettcher, Jeremy Gilbert, and Greg Hazard

**Directed by:** Ron Prochnow

This was a film about diversity. From the time they woke up in the morning (anywhere between 3:00 am and three minutes before the bus left), to their attitudes (like a box of chocolates, you never know what you're going to get) their differences outnumbered their similarities. When the feather fell, their biggest challenges turned into assets and they pulled off a dynamite season. Run Forest, run!

**Appearances By:** Kacy Warner, David Conner, Justin Osborn, Josh Berlin, Jesse Luedtke, Luke Breid, Scott Gerike, Brad Veenendahl, Derrick Pettis, Kelsey Lee, Evan Mazur, Dustin Yule, John Rugotzke, Kevin Ives, Jesse Buttke, Nick Canaday, Scott Dickinsen, Erik Brown, Dennis Bergman, Nick Brevik, Jason Clark, Damien Osborn, Jake Krueger, Jason Pettis, Charlie Barnett, Seth Christiansen, Matt Erdman, Brad Klatt, Shaun Nelson, Wayne Williamson, Josh Sudbrink, Adam Zank, Thunder Marion, Tom Zempel, Andy Kunz, Steve Gerike, Ryan Schmitt, Kyle Brunzlick, Nick Aichele, Kyle Schwoch

**Directed by:** Randy Stutzman, Rod Anderson, Tom Crowe, John Eide, Adam Bauch.

Practices after school and weight lifting were a few of the many techniques that the football team used to prepare for a game. They played in the cold and in the rain against some great teams. They tried their hardest to get victories but the pep talks, hours of practice and weight lifting just did not pay off in some cases. All in all, the season was great, the games were good, and the pep talks given by the seniors were the best ever.

**Starring:** Cynthia Mitchell, Melissa Bailey, Bobbie Jo Francel, Sarah Zorn, Melissa Hill, and Melinda Wiese

**Appearances by:** Jessica Lindeen, Joy Bergman, Heather Gilbertson, Jessica Hinojosa, Michelle Zich, Julie Rusinko, Carmen Moore, Nicki Lemmon, Kimberly Steele, Melissa Korger, April Spores, Casey Jo Tripp, Suzanne Hinojosa, April King, Kristina Jones, Sara Moseley, Kristy Johnson, Sarah Hinojosa, Shannon Lee, Jennifer Polinske, Kristie Wiese, Shana Welter, Chander Baader, Jewel Bergman, Natalie Gabler, Paula Hahn, Jessica Wiese, Julie Crowe, Alicia Sylvester, Stephanie Poettker, Christine Honadel, Alexis Dickinsen, Leatha Buttke, Jessica Lee, and Kara Kangas

**Directed by:** Sue Maenner, Chuck Forseth, and Pat Gilmore

Well, try to imagine forty girls, three coaches, and only one gym. That is exactly what this flick was about. With a lot of hard work and effort, the Augusta High School volleyball team proved that even with tight squeezes they could still come through to be a pretty good team. Going into playoffs the team was still a little rough around the edges, but they played some tough teams and proved that they could bump, set, and spike with the best of them.

# BUFFY THE VAMPIRE SLAYER

**Starring:** Samantha Smith, Michelle Greer, April Pettis, Alicia Buttke, Sher-ee Palomaki, Jessica Snyder, Jessica Klatt, Melissa LaRose

**Directed By:** Linda Flick

As the title infers, this was quite the horror film. There wasn't a lot of bloodshed, but the fact that there were no experienced seniors was a real scare. Because of all of the inner conflict, shooting was a challenge, but fortunately by the end the debuting stars pulled together and created one of the season's best. Keep your eyes open for the sequel.

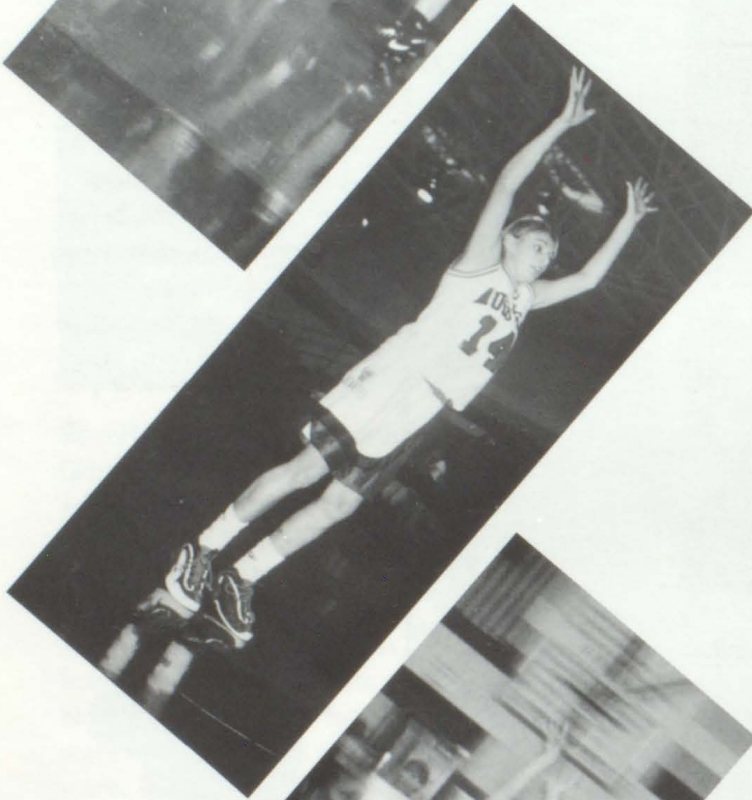

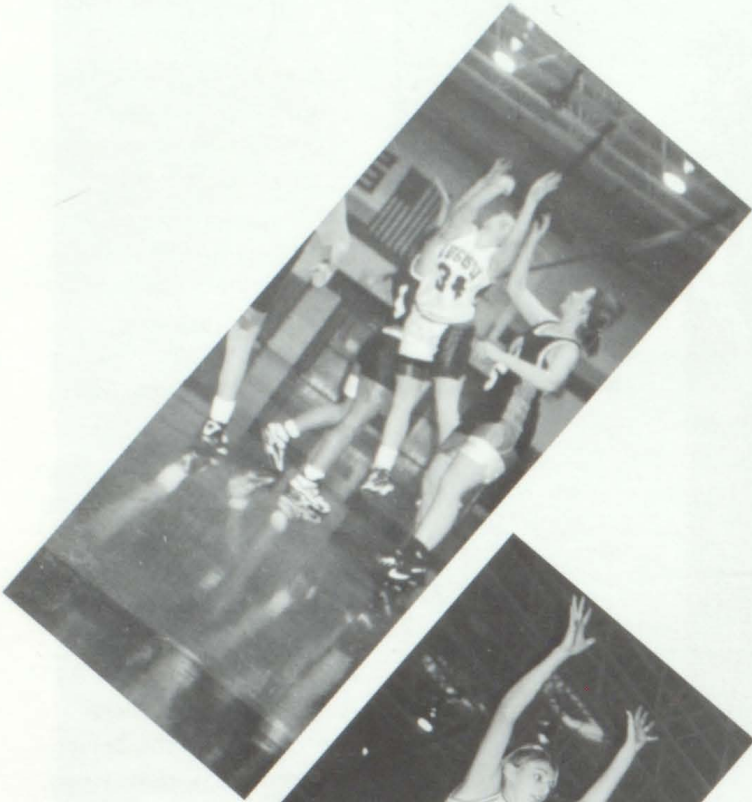

# MORTAL COMBAT

**Starring:** Matt Erdman, Richard Gilbert, Charlie Barnett, Dennis Bergman, and Chris Whitfield

An amateur viewer may, at first, be taken aback by the vigorous training of wrestling jocks. Actors subjected themselves to countless muscle stretching and strengthening exercises, exhausting laps, and the constant pressure to carefully count calories in order to fit into a specific weight class. Despite these encumbrances, lovers of the sport jumped at the opportunity to play a part in this brutally exhilarating flick. This was definitely a four-star viewing opportunity.

# HOOP DREAMS

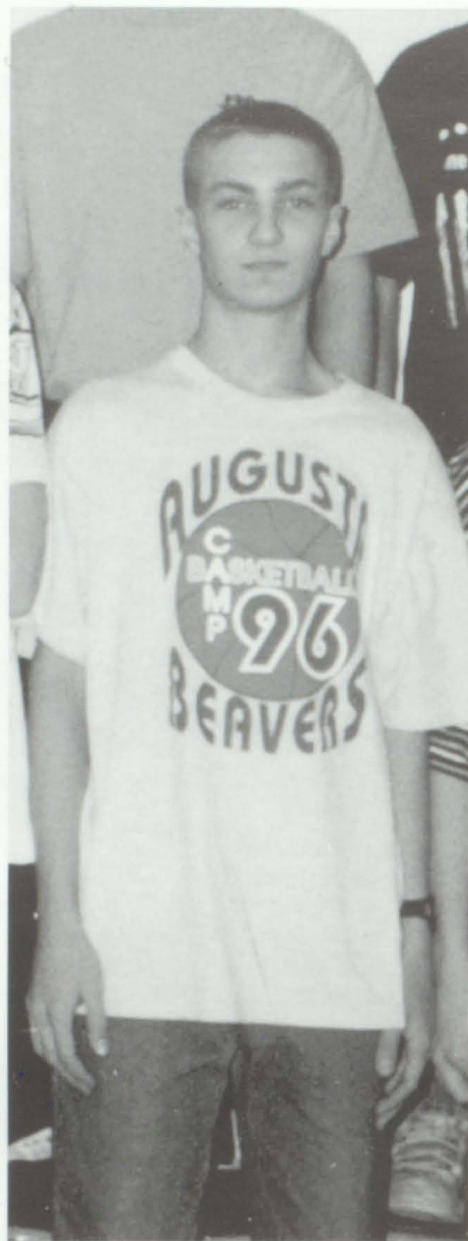

**Starring:** Malinda Wiese  
**Appearances By:** Jessica Hinojosa, Danielle Erdman, Michelle Zich, Natalie Gabler, Julie Rusinko, April King, Shannon Lee, Nicole Poettker, Kristin Bills, Jolene Stoel, Nicki Lemmon, Amanda Burt, Kristi Johnson, Sarah Eckel, Casey Jo Tripp, Suzanne Hinojosa, Sarah Hinojosa, Sarah Moseley, Jennifer Polinske, Kristi Wiese, Paula Hahn, Chrissy Honadel, Jewel Bergman, Julie Crowe, Kara Kangas, Alicia Sylvester, Shana Welter, Alexis Dickinsen

**Directed By:** Mickey Vandehey and Ron Prochnow

This flick relays the fast-moving, edge-of-your-seat action of girls' basketball at Augusta High School. It also deals with the behind-the-scenes emotion, stress, and incompatibility of team members. The balance between these two aspects of the game conveys a life-like believability with potential to make up for a not-so-happy ending. Intriguingly, the plot allows for actors and fans alike to keep their "Hoop Dreams" of gold in Madison alive. Basketball, invented by man, perfected by women!

# SPACE JAM

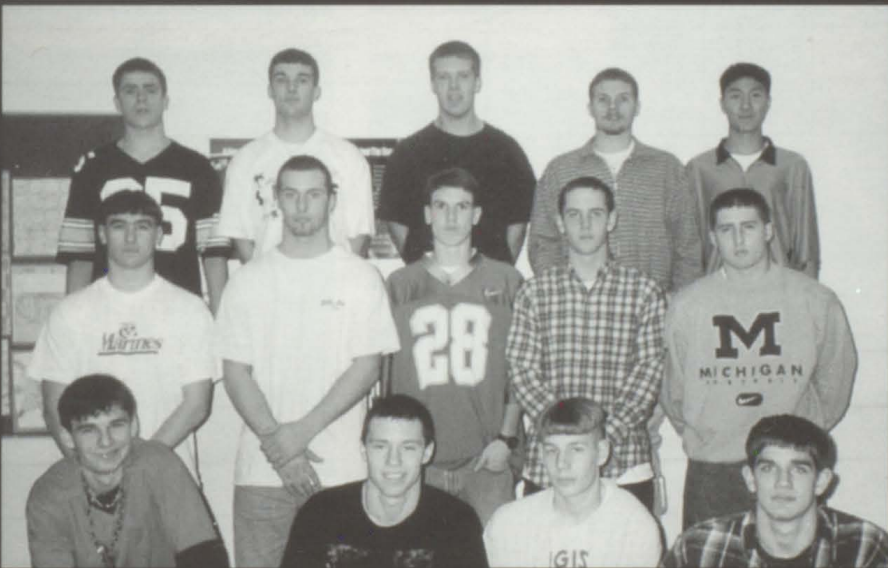

**Starring:** Marko Puranan, Will Jacobs, Patrick Hahn, Bandi Henke, Corey Dahl, Trenton Berg, Gonzalo del Rio, Joe Rusinko, Billy Warner

**Appearances by:** Shaun Nelson, Erik Brown, Thunder Marion, Adam Zank, Kyle Brunzlick, Kyle Schwoch, Jason Clark, Nick Brevik, Steve Stensen, Greg Hazard, Jake Krueger, David Connor, Jeremy Gilbert, Jason Pettis

**Directed by:** Steve Petznick and Rick Berg

Excitement ran high during these games. Between the crowd yelling for the foreign exchange students to play and students gossiping about who was suspended for partying too hardy the stands were always a buzz. We're not sure who was playing Michael Jordan and or the toons, but overall, as in the real Space Jam, there were funny times as well as some that weren't.

# APOLLO 13

10-9-8-7-6-5-4-3-2-1- Lift off! Well, they weren't exactly in a space shuttle, but for many of the participants, it was their first airplane ride, and they got to see a real space shuttle lift off from the balcony of their hotel room at 3:30 am. Along with this, the 19 kids and one really big kid went to the Magic Kingdom to meet Mickey, Minnie, and the gang; EPCOT Center; Universal Studios; and Sea World. To top it all off, as they flew home, the pilot flew over Augusta and everyone saw an aerial view of "Home Sweet Home."

# MR. HOLLAND'S OPUS

**Starring:** Katie Karrow, Cindy Mitchell, Eric Smith, Rochelle vanGorkam, Rebecca Breid, and Kelli Humann

**Review:** Butt washes, alcoholic beverages before the age of 21, new languages, new friends, and displays of musical talents in Europe was what a select group of band and choir members were a part of over the summer. Before leaving for Europe, students from all parts of Wisconsin met at the University of Wisconsin-Whitewater for a four-day camp. The purpose of this camp was to get to know one another and prepare music to perform in Europe.

Anticipation rose as the day drew near.

They traveled to England, Austria, Switzerland, Liechtenstein, and Germany. They enjoyed experiencing new cultures, and touring the gorgeous land. Billy will especially remember one of the concerts – he decided to add a one note “bop” solo at the end of “On Wisconsin”. All who participated will tell you that it was definitely an experience they will remember for the rest of their lives.

# STAND BY ME

**Starring:** Bandi Hanke and Sara Zorn

**Appearances by:** Mindy Wiese, Will Jacobs, Jessica Lindeen, Kyle Brunzlick, Kristy Johnson, Jeremy Gilbert, Natalie Gabler and Kelsey Lee.

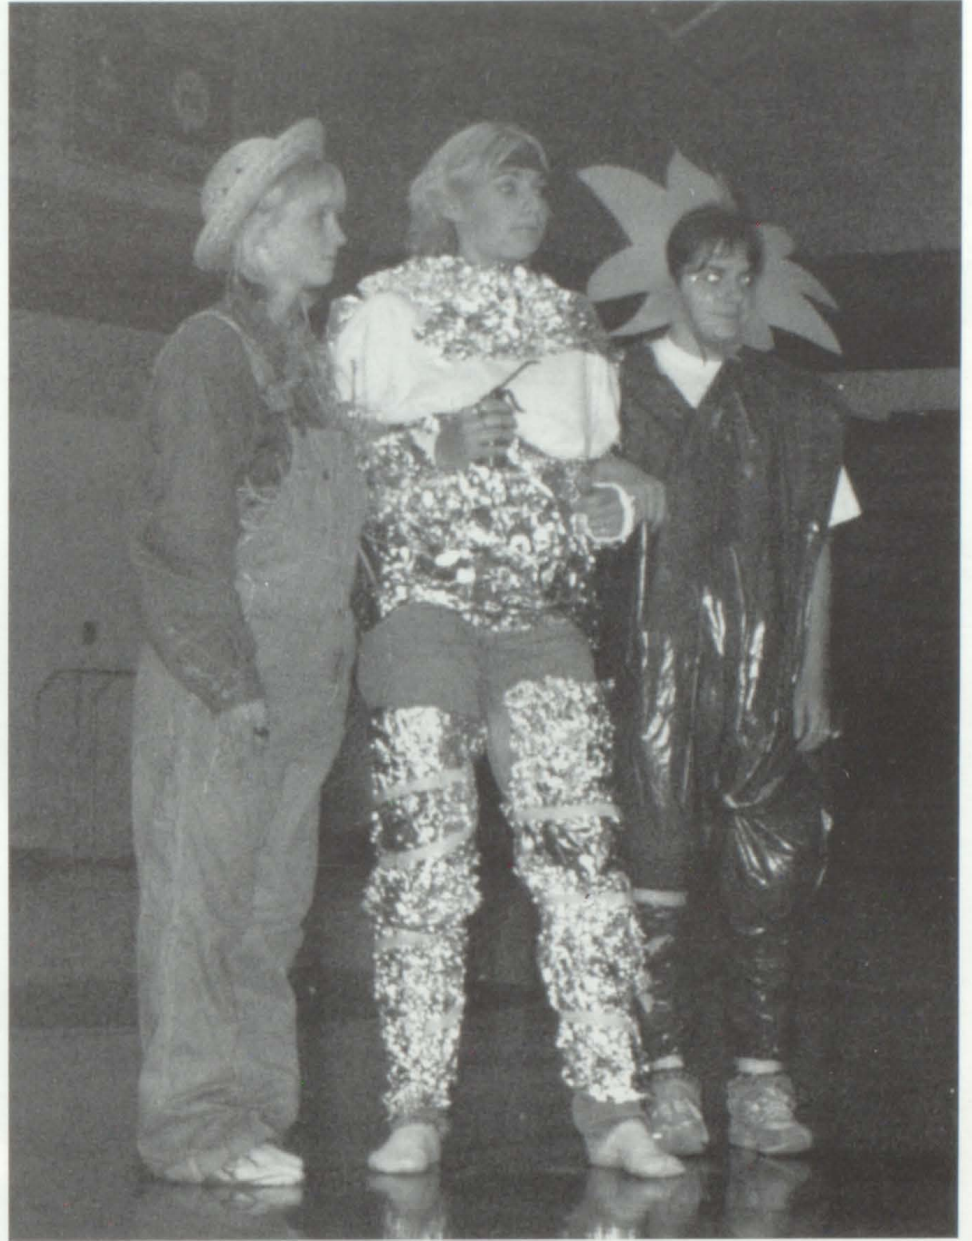

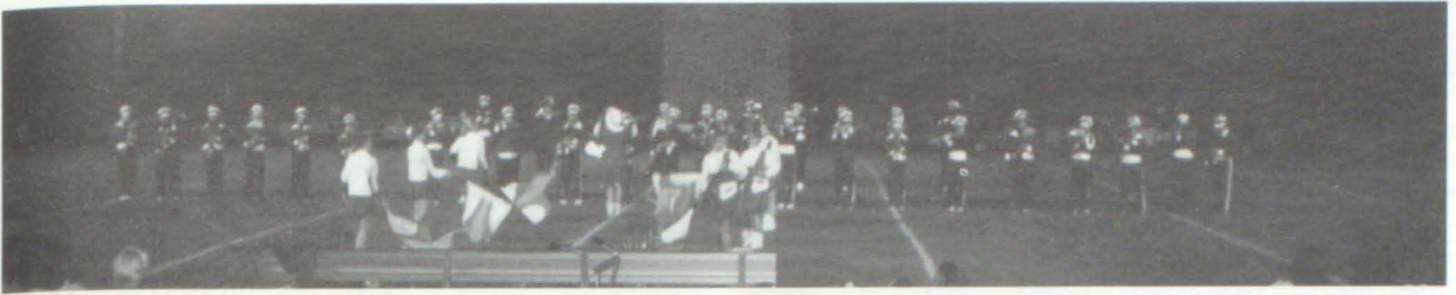

**Review:** This flick was a lot of fun. The dressing up for Homecoming was a slow part in the movie, but the bonfire scene was a blast. You had all the right ingredients for a good time. There was music, dancing (on all motor vehicles), and a raging fire in the background. It's what we call a classic good time.

The skit scene was a wash. There were a few good ones, but the seniors got the shaft. Through the whole week the halls were pumping with good tunes and awesome decorations.

Although we lost the game with Greenwood, it didn't dampen the spirits of this crowd too much. They were all ready to have a good time at the dance. Everyone got on the floor to do the Macarena and form a train as well as other dances. When the court was presented they looked great. The movie ended when all the seniors got together and took pictures to the sound of the Beatles playing in the background.

The seniors in this flick were left with fond memories.

# DANCE TILL DAWN

**Starring:** Patrick Hahn and Tara Sahs

**Appearances by:** Eric Smith, Julie Strauch, Corey Dahl, Elena Loftsgordon, Matt Erdman, Joy Bergman, Jason Pettis, and Sarah Hinajosa

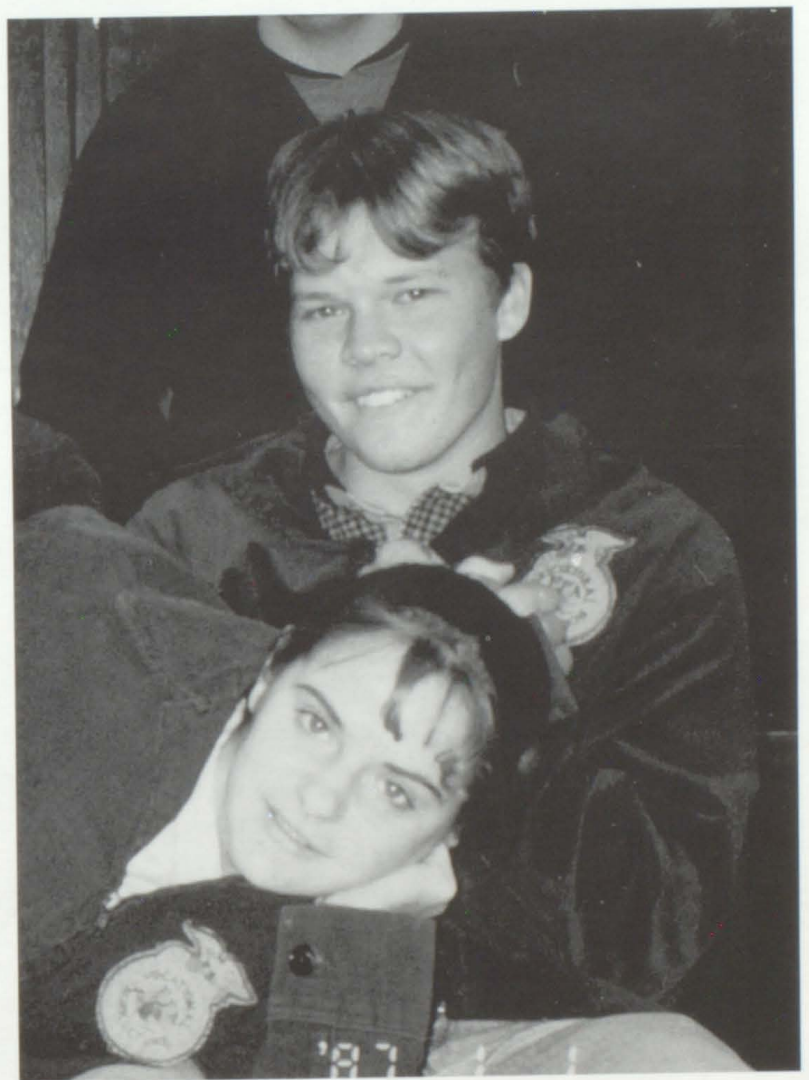

**Brought to you by the class of 1997.**

**Review:** This old-fashioned Romance takes place "In The Still Of The Night." The movie featured excellent performances by Sahs and Hahn as well as the rest of the cast. The special effects were superb (a lot of time and money was spent on costumes, makeup, and sets), and it also won a Grammy for best soundtrack of the year with appearances by the Best Sound and Light Show. This was definitely a story filled with hundreds of elegant people and great music.

# MY SCIENCE PROJECT

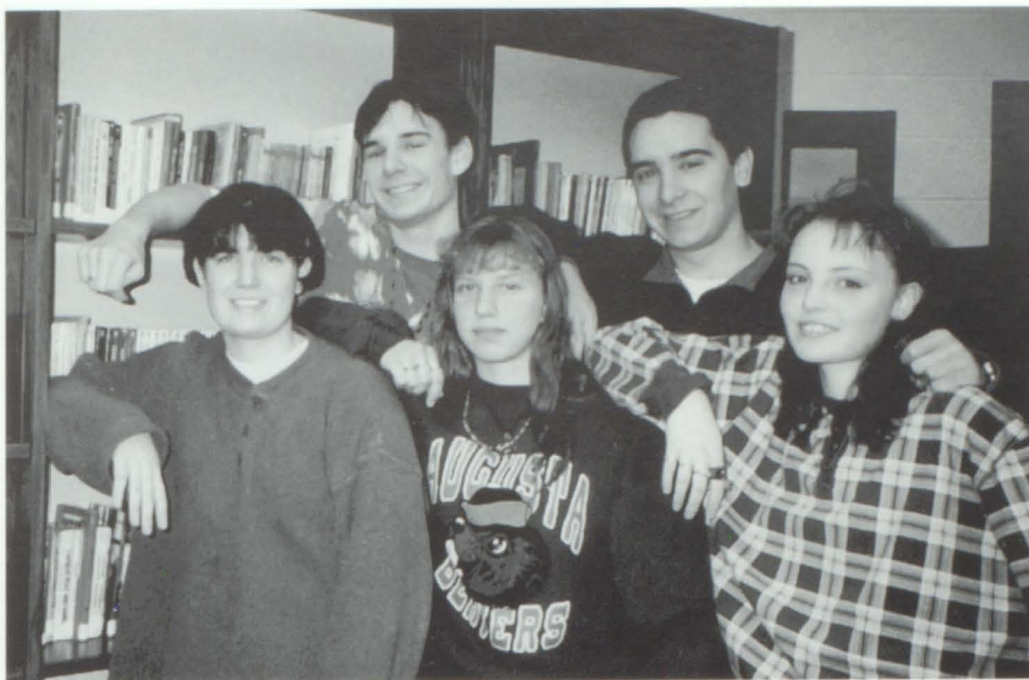

**Starring:** Luke Breid, Andy Kunz, Scott Dickinsen, Wayne Williamson, Julie Rusinko, Kyle Brunzlick, Anna Cousin, Dale Larson, Molly Cousin, Chloe Gabler, Melissa LaRose, Kim Breid, Jesse Luedtke, Elizabeth Fitzmaurice, Rita Koch, Lacey Risberg, Melissa Korger, Michelle Greer, Jennifer Dintsch, and Justin Groth

**Directed By:** Michael Barrett, Chuck Forseth, Jeff Hadorn, and Paul Tweed

**Review:** This was a very up-tempo movie full of interesting experiments. The setting was wonderful at beautiful Coon Fork Lake, but most of the action took place in the lab. There were eight major story lines: Chemicals, Chlorophyll, Invertebrates, Microscopic Organisms, Plants, Sediments, Streams, and Water Quality Aspects. They were all happening at the same time, so catching up on your sleep during the boring parts was not an option. The setting was wonderful at beautiful Coon Fork Lake.

# WITH HONORS

**Starring:** Loren Bonick, Nikki Rineck, Will Jacobs, Pam Azzam, Bandi Henke, Beth Marcheske

**Appearances by:** Heather Gilbertson, Kim Breid, Jasmine Watenphul, Julie Rusinko, Anna Cousin, Danielle Erdman, Jolene Stoel, Kyle Schwock

**Directed by:** Mr. Stutzman

What is National Honor Society? What do its members do? You can ask them if you want, but even they can't tell you a lot. Once in a while, they did concessions for a game, but that was about it for this group. We've concluded that it was a group of people who really care about their academic skills.

In order to get inducted, a student needed a GPA of 3.25 or greater. Then the teachers voted according to the individual's leadership ability, character, and community/school service. The inductee wrote essays on why they want to belong to NHS. I'd say that they went through a lot of hard work just to be members of a group that does nothing!

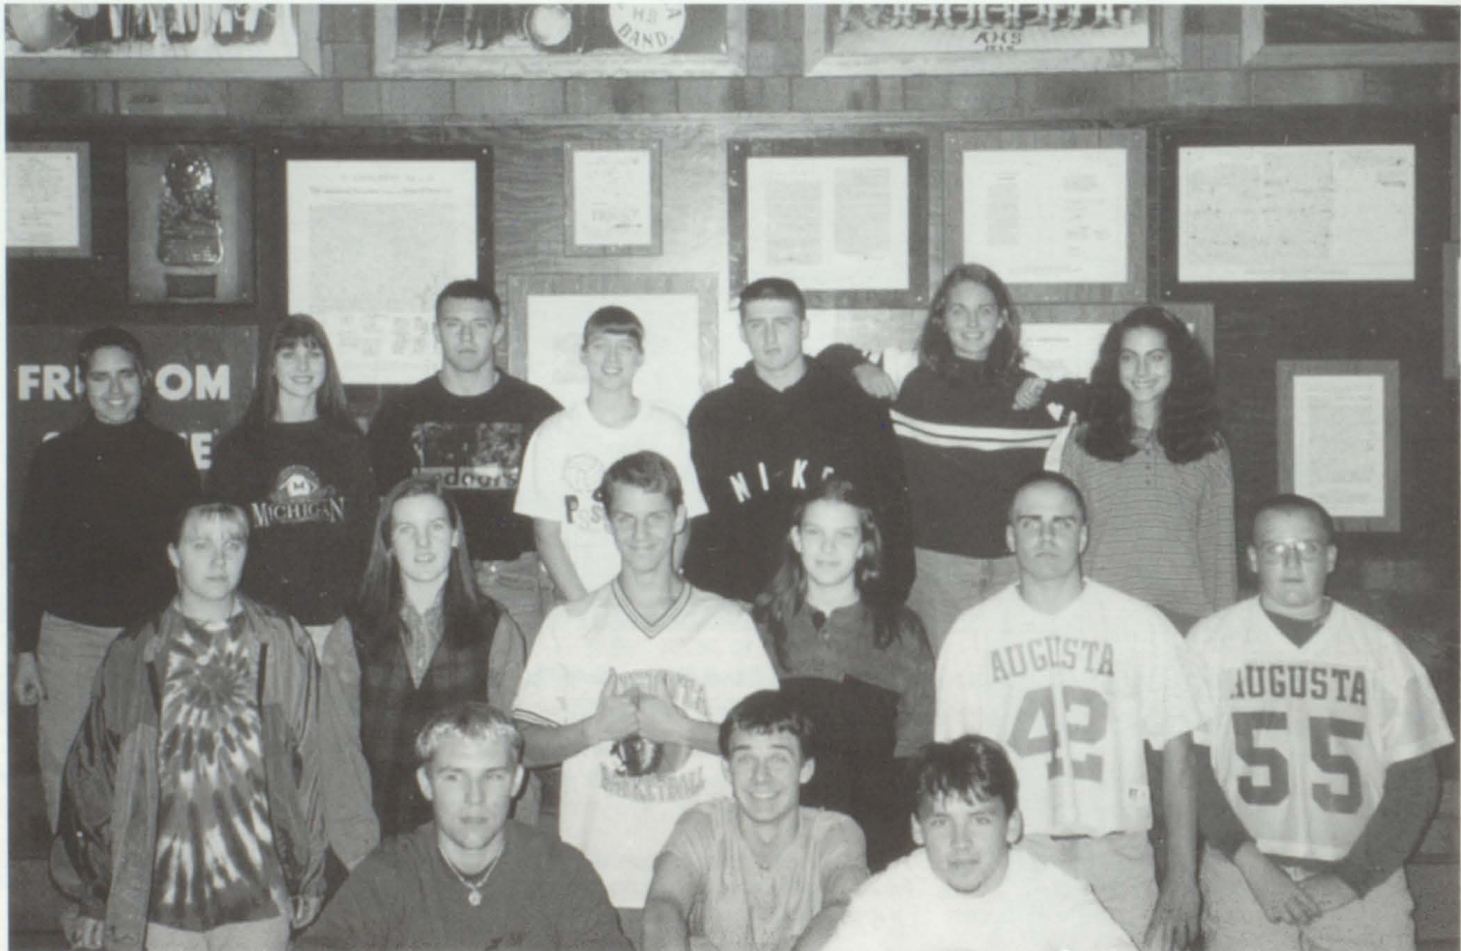

# FIRST KID

**Starring:** Pamela Azzam, Sara Zorn, Bandi Henke, Missy Hill, Andrew Sudbrink, Will Jacobs, Billy Warner.

**Appearances by:** Kyle Brunzlick, Kara Kangas, Roslynn Azzam, Jasmine Watenpuhl, Anna Cousin, Damien Osborn, Melissa Korger, John Rugotzke, Kevin Ives.

**Directed by:** Mr. Barrett

**Review:** Under the direction of Will Jacobs, fearless leader, the Student Council brought refreshing change to the Augusta High School. The successful return of the Homecoming bon fire and live entertainment helped boost spirit in the student body. Actors gave up many a lunch period to represent their classmates, learn about leadership, and gain useful experience in the process. The sequel will be hard to match its valor. (Two thumbs up!)

# PHENOMENON

**Starring:** Pamela Azzam and Nicole Rineck

**Appearances By:** Will Jacobs, Lars Forseth, Gonzalo del Rio, Bandi Henke, Staci Pettis, Lissa Rust, Beth Marcheske, and Loren Bonick

This terrific film takes place in a sleepy old town where everyone knows everyone else. Critics aren't sure whether the actors were hit on the heads with falling comets or not, but the fact that they are brilliant is worldly undisputed. The stars tried their best to rid the "nerd" stereotype, and with their charming good looks they succeeded for the most part. Now let's just hope they don't all die of brain tumors.

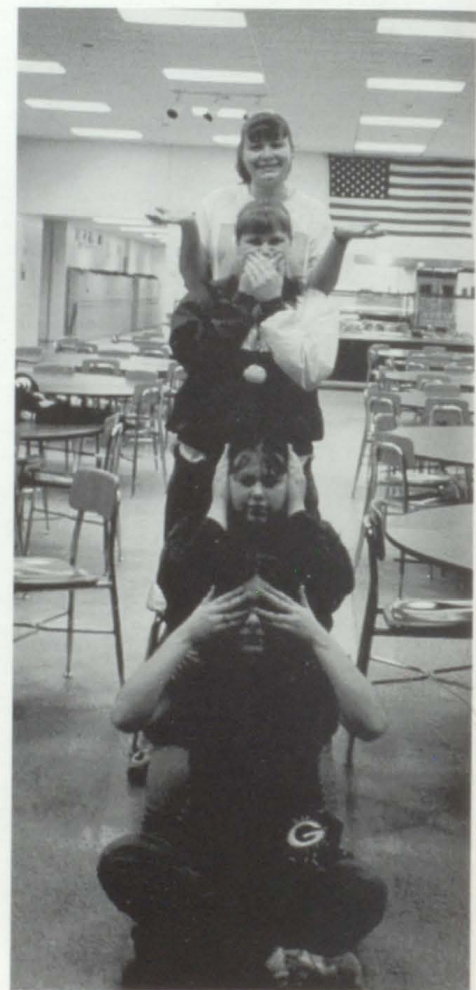

# DEAD POET'S SOCIETY

**Starring:** Bonny Aichele, Melissa Bailey, Amanda Johnson, and Cynthia Mitchell  
**Appearances by:** Anna Cousin, Molly Cousin, Joni Hill, Heather Gilbertson, Michelle Greer, Christina Jones, Jessica Klatt, Rita Koch, Melissa Korger, Melissa LaRose, Dale Larson, Jessica Lee, Nicki Lemmon, Mary Lund, Anna Pelkey, Jaclyn Pettis, Lacey Risberg, Josh Schroeder, April Spores, Kathryn Spores, Jasmine Watenphul, and Jessica Wiese

**Directed by:** Sharon Rieder and Kristine Sell

Laughing, crying, travelling, hard work, and dedication were all important factors in this flick. In addition to learning new things and sharing memories, these actors and actresses earned experience that will help them in the future in reaching whatever goals they may pursue.

# THE TEMP

**Starring:** Malinda Wiese, Lori Grunewald, Mark Karow, Beth Marcheske, and Loren Bonick

**Appearances by:** Natalie Gabler, Renee Mayer, Paul Wiese, Charity Hadorn, Nicole Poettker, Jewel Bergman, Shana Welter, Roslynn Azzam, Lacey Risberg, Mary Lund, Leatha Buttke, Sarah Potts, Jessica Hilmanowski, April Spores, Kara Kangas, Julie Crowe, Kevin Ives, April Marion, Melissa LaRose, Dale Larson, Susan Luedtke, Jodie Shilts, Tisha Bonick

A host of temporary assistants in this motion picture attempts to add semblance and order to the otherwise hectic and complex office work. Characters are dedicated, trustworthy, responsible, polite, congenial, and usually efficient. These sometimes rather unsung heroes once again saved many days from disaster, per se.

# THE GREAT GATSBY

**Starring:** Marco Puranen, Cindy Mitchell, Bonny Aichele, Staci Pettis, Elena Loftsgordon, Missy Bailey, Billy Warner, Pamela Azzam, Chris Hatch

**Appearances by:** Natalie Gabler, Casey Tripp, Jaclyn Pettis, Jason Pettis, Paula Hahn, Sarah Eckel, Jasmine Watenphul, Jamie Zempel, Margaret Guntner, Christina VonHaden, Brenda Dowiasch, Alexis Dickinsen, Melissa LaRose, Kristie Johnson, Jolene Stoel, Julie Rusinko, LeAnn Wiese, Roslynn Azzam, Chrissy Honadel, Dale Larson, Tom Zempel, John Rugotzke, Melissa Korger, Jason vanGorkom, Kim Breid, Chris Jones, Lacey Risberg, Julie Crowe, Jessica Wiese, April Spores, Luke Breid, Anna Cousin, Jewel Bergman, Shaun Nelson, Nick Gray

**Directed by:** Kelli Aumann

This movie was a perfect mix of drama and comedy. Just when you'd think it was getting a little too serious, something would happen to make everyone laugh. It contained many brilliant musical pieces such as "Emerald Isle" and "Pictures at an Exhibition." If you're a music lover, it's a must-see.

# SHOW BOAT

**Starring:** Billy Warner, Cindy Mitchell, Pamela Azzam, Marko Puranen, and Melissa Bailey

**Appearances By:** Julie Rusinko, Dale Larson, Natalie Gabler, Kimberly Breid, Jaqueline Pettis, Chris Jones, Jasmine Watenphul, Eric Paulson, Roslynn Azzam, Jolene Stoel, Jason Pettis, April Spores, Jessica Wiese, John Rugotzke, Melissa Korger, Tom Zempel, and Luke Breid.

**Directed By:** Kelli Aumann

With an experienced captain and a cheerful first mate, this flick left the dock with a first-class ticket to *La Bamba* land. A lot of hard work and practice, like *Sponging the deck*, paid off in a *String of Pearls* at the end of the journey. Actors learned to lean on each other and had a swingin' time. Bye Bye, Blues.

# A CHORUS LINE

**Starring:** Bonny Aichele, Pamela Azzam, Lori Grunewald, Katie King, Elena Loftsgordon, and Gina Phillippi

**Appearances by:** Derrick Pettis, Kelsey Lee, Jeremy Gilbert, Damien Osborn, Eric Paulson, Paul Wiese, Richard Gilbert, Greg Hazard, Wayne Williamson, Jesse Buttke, Luke Breid, Tisha Bonick, April Marion, Alicia Buttke, April King, Jessica Lee, Sarah Potts, Nicole Carlson, Ameer Williamson, Leatha Buttke, Samantha Smith, Sheree Palomaki, Anna Pelkey, Jasmine Watenphul, Melissa Korgor, Kimberly Steele, Katie Pieper, Christine Honadel, Kimberly Breid, Mary Lund, Erin Crawford, Jessica Ripple, Deanna Davidson, Kia Bauch, Melissa Smith, Tom Matson, Jenny Kinser, and Charity Hadorn.

This musical was an exciting flick about kids learning the wonderful ways of singing. It was a long bumpy road that took sharp turns and caused flat tires. After getting everything set, it was time for some outstanding performances! Many soloists later, the spectacular chorus line found out that if they practiced strenuously, the outcome would be extraordinary. Look for spectacular sequels. I give this movie five stars of excellence.

**Starring:** Bonny Aichele, Pamela Azam, and Gina Philippi

**Appearances by:** Eric Paulson, Greg Hazard, Paul Wiese, Melissa Korger, Jasmine Watenphul, Kimberly Breid, Kimberly Steele, and Luke Breid

"Let Me Entertain You" was the theme of the box-office blast. Three of the actresses debuted in this marvelous musical production, but the rest were old pros, making for a wonderful cast. They mastered the music and the choreography, as well as learned the sign-language as an aid to their hearing impaired fans. They did all of this in record time which led up to their terrific performances. Siskel and Ebert gave this wonderful musical two thumbs up and wished the actors the best of luck in "Keeping the Dream Alive."

**Review:** Future...

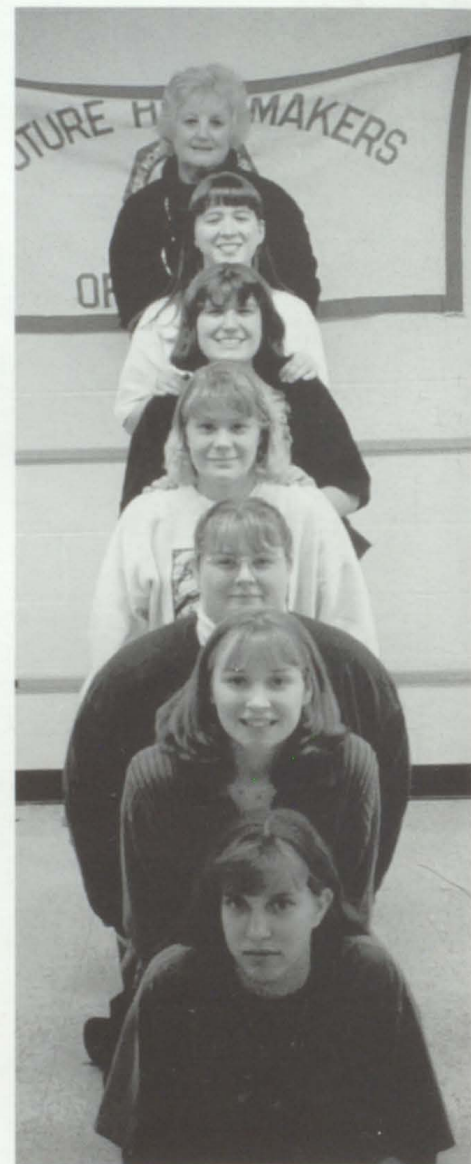

With members like these, it is true that the future will be bright. Bringing light into someone's heart is just one thing they've done. Not only participating in Military Mail Call and Project Santa, but also planning and putting on a Halloween party for the 1st and 2nd graders.

Homemakers...

This no longer means staying home, not working, cooking, cleaning and taking care of the kids. It has evolved into much more such as succeeding in life and achieving whatever you dream.

Of America...

When all summed up it is easy to see what eager souls and hearts are going into the world and making it a better place as members of the Augusta Chapter of FHA.

Not just for farmers anymore, the FFA was busy this year with tailgate parties, banquets, basketball games and alumni activities. Supported by wreath and fruit sales, they had the distinct privilege of attending the World Dairy and Beef Expos and the National Convention in Kansas City. Their new and energetic advisor has led them through a fun and successful year.

**Starring:** Pamela Azzam, Beth Marcheske, Greg Lawson, Melissa Bailey

**Appearances by:** Roslynn Azzam, Anna Cousin, Christina Jones, and Dale Larson

**Directed by:** Mr. Stutzman, Mr. Crowe, and Mike O'Brien

It's not a simple task to play the part of a lawyer in any film, but these actors dealt well with unfamiliar legalities and serious topics such as drug and alcohol abuse. Great directors with and without courtroom experience led them through their second successful season of artificial litigation.

# DRIVING MISS DAISY

**Starring:** Kyle Schwoch, Malinda Wiese, Staci Pettis, Kristin Bills, and Billy Warner

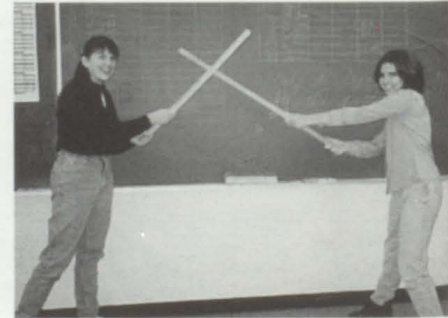

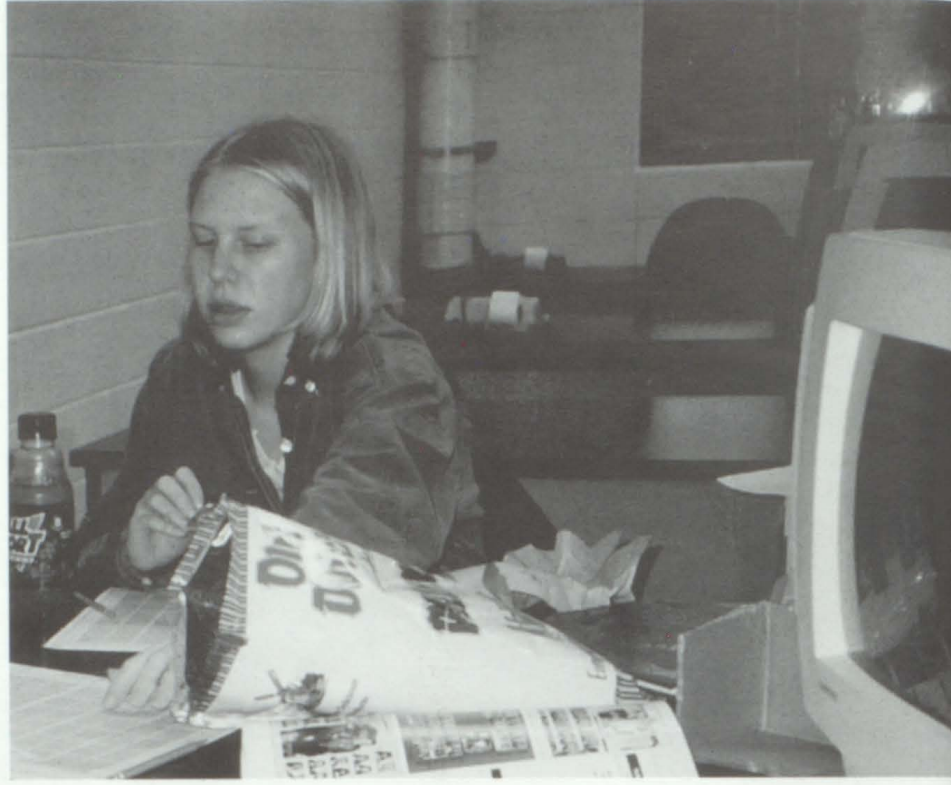

**Appearances By:** The students of Augusta High School

**Directed By:** Jim Jones

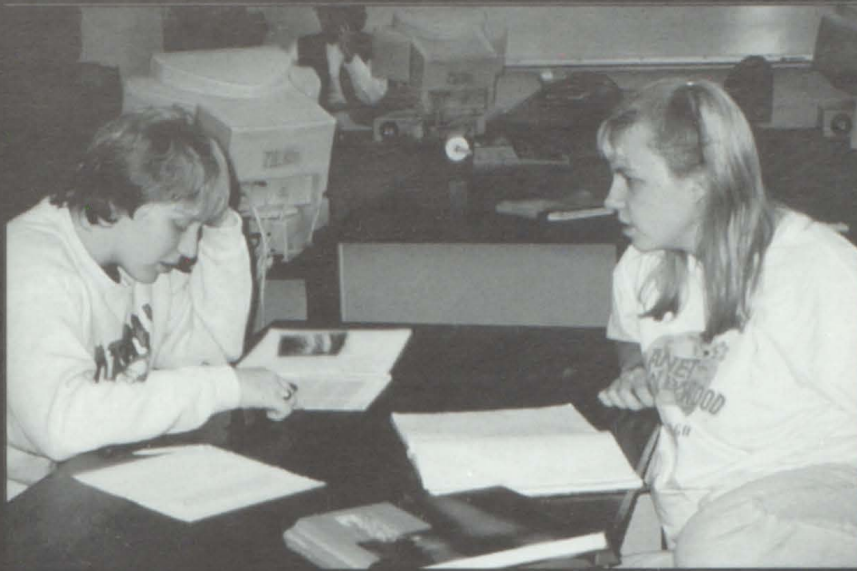

Picture four-hundred teenagers all in the same place, at the same time, trying to achieve the same goal. That is exactly what *Driving Miss Daisy* was about. The plot centered around the obstacles a student body faces in the task of trying to keep each other from drinking and driving. The best part, however, is that casting was not done in the traditional way; instead of focusing in on only a few beautiful people the whole population of Augusta High School had a role in this cinematic wonder. From beginning to end this flick was fantastic — it has a rather uncommon way of displaying the traditional values we are all so fond of.

**Appearances by:** Roslynn Azzam, Kim Breid, Julie Crowe, Michelle Greer, Chrissy Hanadel, Christina Jones, Rita Koch, Dale Larson, Nicki Lemmon, Lacey Risberg, April Spores, and Michelle Zich along with Nicki Lemmon as behind the scene wonders.

Besides making mischief and reminding people of their sometimes embarrassing memoirs, the actors and actresses in this flick were busy creating a long-lasting biography of happy, sad, and once-in-a-lifetime moments. Through thick and thin, these hard-working individuals strained their brains after school every Wednesday night to think of clever and unique ways to capture memories and put them down on paper. This film deserves at least five spotlights.

In their premier, these young actors proved to skeptics that they could keep up with the fast-paced life of middle school. Although squeezing through crowded hallways of a new and unfamiliar setting proved to be a trying task, they soon learned the ins and outs of higher education. This motivated flick is well on its way to the Hollywood Hall of Fame.

It must feel pretty good not to have been the youngest ones in the middle school. Just ask a member of the class of '02. They lucked out that experience because of the addition of the sixth graders. They were still part of all the new experiences of the bell system, more homework than before, being involved in extra curricular activities, and going to middle school social events, there just wasn't as strong a fear of being shoved into a locker or of having lunch money stolen. As the year went on they let their real personalities come out and became a class to remember.

As rulers of the middle school, the class of 2001 set a great example for the sixth and seventh graders. They showed them the ropes of dances, sports, student government, and homecoming rituals. Here's to a great dynasty.

**Directed by:** Kelli Aumann

**Review:** The film was a brilliant portrayal of talented musicians. This young group of people showed great potential. They showed all the qualities of real professionals such as: good balance, tone, and harmonies. Though this movie got off to a bit of a slow start, the ending was quite impressive. If they continue this way, the sequel will be unbeatable.

**Directed by:** Ron Buckles

**Review:** This was a delightful musical full of whimsical songs. The director, Ron Buckles, added life to the movie by inspiring everyone to try their best and still have fun. Although new and inexperienced, I believe that they will continue on their road to success and become great musicians.

Mr. Buckles- everyone's hero!

# WHO'S THAT GIRL?

**Directed by:** Kris Perkovich and Sharon Zimmerman

**Review:** This was an awesome action film about middle school girls starting out a season of volleyball and finding out that it takes time for perfection. There were many terrific passes, super sets, and spectacular spikes that kept you on the edge of your seat. This movie contains hard work, but the girls found that it was worth the strive. This volleyball flick: Exciting, ecstatic, and energetic. Look out for more fun to come!

# LITTLE GIANTS

**Starring:** Kevin Bailey, Denver Stubbe, Matt McMahon, Adam Brown, Jason Borchert, Jeremy Gerdes, Conrad Aichele, Jonathan Horrell, Kevin Lone, Joe Sudbrink, Danny Marcheske, Barry Pfeiffer, Jacob Marion, Scott Williamson, Nicholas Pettis, Chris Korger, Matt Schroeder, Alan Johnson, Jordan Sell, Andy Dickinson, Matt Wiese, Zach Watenphul, Nick Jacobs, Branden Strauch, Randy Klatt, Patrick Ousey, Doug Bergman, Nathan Christensen, Zach Stensen, Josh van Gorkom, Richie Price, Grant Gabler, and Jared Rouleau  
**Directed by:** Jeff Hadorn and Paul McIlquham

**Review:** They hit hard and they had fun! This show was all about teamwork and spirit. Though the boys didn't have their greatest season, they put forth a good effort and learned a lot about the game. Look for some swell seasons in upcoming sequels. In the meantime, try to stay out of their way!

# THE DREAM TEAM

**Starring:** Heather Waggoner, Callie Nelson, Abbie Zank, Kendra Bohl, Erin Lewis, Cody Warner, Jen-ny Lone, Lacey Bergman, Jamie Kaeding, Jennifer Lange, Sarah Forcier, Jade Seichter, Cassandra Buttker, Nicole Torres, Amanda Aichele, Amber Barbosa, Sarah Breid, Trina Bergman, Katria Kangas, Jessica King, Melissa McMahon, Penny Stensen, Kimberly Bailey, Angela Wiese, Tanya Freseth, Jennifer Powers, Katie Zank, Sarah Geisdorf, Melissa Plamp, Jodie Shiltz, Tina Mosely, Brodi Gibson

This was a heart-warming movie about a group of young girls and their ambition to be basketball players. These girls had a few wins, and a few more losses, but played hard. This is a great one for all of you who had the ambition to do something and went for it.

# SLAM DUNK ERNEST

**Starring:** Chris Korger, Jeremy Gerdes, Jonathan Horrel, Dennis McConnell, Jason Brantner, Denver Stubbe, Conrad Aichele, Kevin Lone, Jared Rouleau, Doug Bergman, Matt Wiese, Zack Watenphul, Branden Strauch, Nathan Christianson, Zachary Stensen, Jesse Zelmer, Matt Schroeder, Nick Jacobs, Brad Selz, Andrew Azzam, Brady Dickinsen, Chris Geiger, Andrew Arndt, Josh Campbell, Nathan Stoel, Josh Schroeder, David Zimbauer, Miles Herrick, Adam Papeirniak, and Spencer Lee

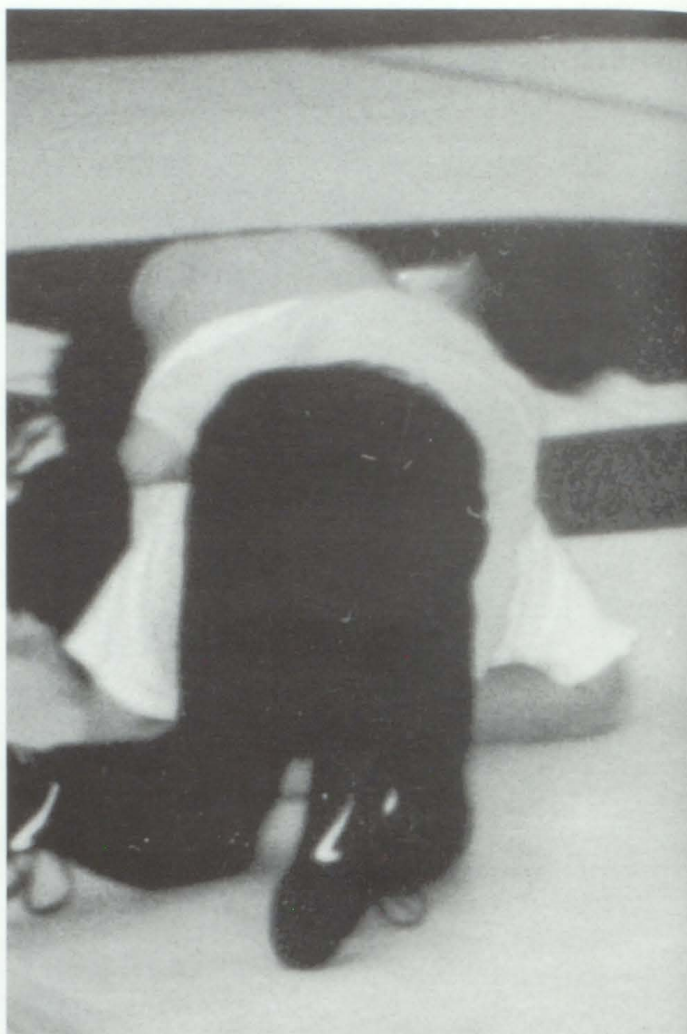

Even though none of the players could slam dunk, these actors put together quite the little flick. They won, they lost, and they learned a lot throughout the course of filming. Even though this flick did not do as well at the box office as it should have, word still got around the day after about how good it was. This movie was made with hard work and dedication, but in the end, it paid off. All had a sense of accomplishment when the filming was over and the actors went their separate ways. Siskel and Ebert give this flick a two thumbs up.

# SPORT GOOFY

**Starring:** Adam Brown and Penny Stensen

This was a terrific sports flick that knocked down many of the stereotypes associated with the life in junior high. For the first time in the history of wrestling at Augusta Middle School, there was a girl on the team. Yes, that is correct, this great role was played by the marvelous Miss Penny Stensen. She led the team through a season like no other with all of her leadership and determination. Practice and weight loss (or gain in some cases) made the movie all the more exciting. Stensen and Brown did a great job: I definitely see academy awards in their futures.

# CHARIOTS OF FIRE

## SCENE 1: Track

**Starring:** Chrissy Honadel, Justin Osborn, Paula Hahn, John Rugotzke, Andy Potts, Shana Welter, Kelsey Lee, Derrick Pettis, Wayne Parker, Jessica Klatt, Natalie Gabler, Scott Dickinsen, Jewel Bergman, Dusty Yule, Justin Groth, Rita Koch, Jesse Luedtke, Kristi Buse, Lacey Risberg, Julie Crowe, Jennifer Lange, Page Schmitt, Jenny Lone, Chloe Gabler, Lacey Bergman, Chris Korger, Matt McMahon, Jake Marion, Nick Pettis, Sarah Forcier, Jennifer Spores, Katie Steele, Jade Seichter, Jeremy Gerdes, and Scott Williamson

## SCENE 2: Cross Country

**Starring:** Liz Chinn, Sarah Geisdorf, Christopher Geiger, Brady Dickinsen, Chris Korger, Samantha Spores, and Paula Johnson

**Review:** Jogging, trotting, running. This was exactly what this show was all about. With this many kids, you'd better watch out. The numbers showed that Augusta Junior High track definitely dominated most of the meets. Things like sprinting and discus proved to be no contest for this group. The boys team did especially well, winning almost every one of their meets. Don't forget about the cross country team, though. With four newcomers and three veterans, they were definitely something to watch (if you could keep your eye on them)!

# THE STAR-BELLIED SNEECHES

**Starring:** Jeremy Gerdes, Jacob Marian, Jordan Sell, Chris Korger, Jason Borchert, Danny Marcheske, Sarah Forcier, Samantha Spores, Chloe Gabler, Aimee Wiese, Lara Irvine, Zachary Stensen, Amber Barbosa, Hope Brandt, Kimberly Bailey, Roberta Fitzmaurice, Penny Stensen, Melissa McMahon, Sarah Breid, Chris Grimm, David Krista, Zack Watenphul, Katie Zank, Elizabeth Hinojosa, Tanya Freseth, Melissa Plamp, Sarah Kapitz

**Directed by:** Roger Skifstad

Stage fright was the biggest obstacle that this young group of ladies and gentlemen, making up the middle school forensics team, had to tackle. They worked many hours after school picking topics and materials. After that, they had to get all dressed up and present their speech to a roomful of complete strangers, including a judge. After conquering these few obstacles with great ease, the team did a magnificent job.

# ODE TO CROSSMAN

Our fearless leader that she was  
Through all the yearbook making.  
She sat with us each Wednesday night  
Her time was ours for the taking.

The yearbook is not an easy task  
Somehow she led us through.  
Pictures were taken and deadlines met  
All by the diligent crew.

Just when we thought the deadlines were met  
She'd ask us if we'd proofed  
And bend down with "Dorito Breath"  
To show us where we'd goofed.

Afterwards we'd call Fed-Ex  
And send our stuff to Taylor.  
We'd finally met the big deadline  
And knew we weren't a failure.

We were finished for the night,  
But She'd go to the gym.  
Wonder-woman, you look out  
Crossman has stepped in.

After many years and hours spent  
This could be her last.  
Thank you for your help this year  
And all the yearbooks past.
