Preston,

It seems like yesterday you were still small but now so strong and tall! We are so proud of you, son, in every way and the man that you have become. Our hearts will always hold onto our little Presty and that cute smile. You have a big crew supporting you as you begin this new adventure in life. Always be yourself, dream big, work hard, and have fun. Remember your manners and your way home.

Love you always Buddy!
Dad and Carmen

Estel Zariañ,

We have been blessed to travel this path with you as my Granddaughter. It has not always been easy, we have had some adventures, and life changing losses. I am very proud of the woman you are becoming. I look forward to the adventures to come.

We love you, Always.
Mom and Granma

"To be a star, you must shine your own light, follow your own path and not be afraid of the darkness for that is when stars shine brightest."

Three things cannot
be long hidden:
the Sun, the Moon, and
the truth. ~ Buddha

Kaylee,

We waited five long years to finally have you. After so many years of prayer, you came to us, with 10 little fingers and 10 little toes...you were perfect! You turned out to be such an intelligent little girl, intrigued by the world around you and gifted with such an abundance of talents and potential. As I see you stand at the threshold of adulthood, I am so proud of the woman that you are becoming. God spared no effort when he made you. I am so grateful for you in my life. And baby girl...you were worth the wait!

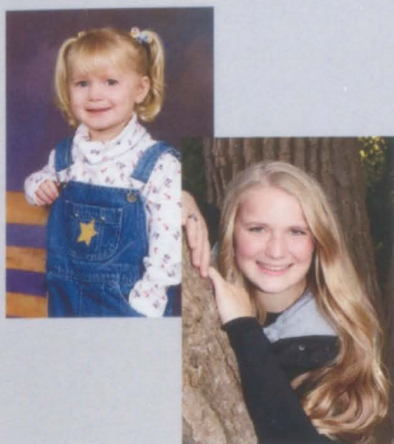

I love you so much,
Love Mama

Abri,

We can't believe you are graduating from high school. Always remember God made you special and how much we love you! You're a sweet, loving young lady who is always willing to give so much to others and never think about what's in it for you. There is so much that you do that makes us proud of you, way too much to list. We wish you the strength to face challenges with confidence and the wisdom to choose your battles. We hope you always listen to your heart, always take risks, always show your lively spunk and attitude, and always know your way home. As you grow and make new adventures, keep praying, keep dreaming, keep learning, keep growing, and keep trusting in yourself. We wish you joy and peace, hope and happiness, love and laughter! Your life is a blessing from God and our wish for you is simple...may you always feel loved!! We Love you Abrianna Mariell!

Mom and Jim

Putz,

We are very proud of the woman you have become. Your grandpa was very proud of you. You have come a long way in the past year.

Love,
Mom, Dad, Parker, and Grandma

Michael David,

We blinked and our little "app-le pie" boy is ready to graduate high school! We are so proud of your successes and top-notch character. The future is yours and we can't wait to see where it takes you! Always be your best!

Love,
Mom and Dad

Cordell,

You have always been a very determined person—from the day you were born you were set in your ways and knew what you liked and what you didn't. That determination is what has helped shape you into the young man you are today. Stay true to your values and keep working toward your goals in life. We are all very proud of you and know that you will have great success in life.

Love,
Mom, Dad, Matthew, and Nathan

Nathaniel James,

Congratulations on all of your accomplishments! For as long as we can remember, you've been adventuresome and curious about the world around you. Your creativity, sense of humor, and sensitivity to the needs of others shine through in all you do. We are so very proud of the amazing young man you have become! May God bless and guide you in all of your future endeavors.

Love Always,
Dad and Mom

Jackson,

As this chapter of your life is coming to a close, we'd like to thank you for letting us be a part of it. You have faced each new challenge with determination, confidence, and a sense of adventure. Your kindness, generosity of spirit, and sense of humor bring joy to all who know you. Know that we are proud of you as you've grown into a wonderful young man. We wish you all the best as the next chapter begins.

With Love,
Mom and Dad

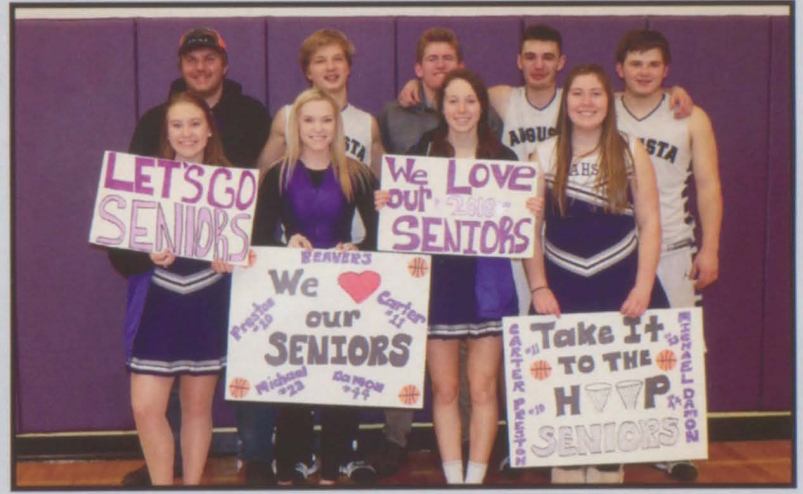

We can sum up our son Carter in one word: Determination. When he was little he would line up his toy cars determined to get all the imaginary people home safely, even if there were dinosaurs in the road. We have seen him master many tasks—ping pong, Rubik's Cube, and countless video games—for the sake of mastering them. It has been our joy to watch Carter apply his determination to his high school academic and sports career, most recently overcoming a broken leg in weeks rather than months. Carter, we are proud of your intensity and determination, and hope that you use these traits to help other people in your life in the future.

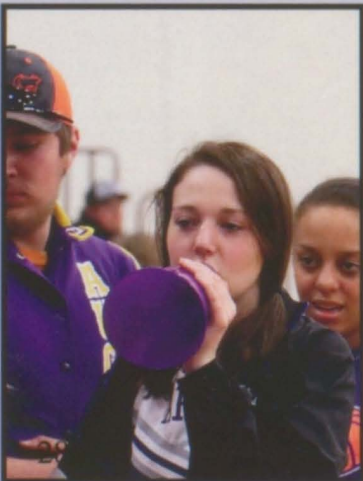

Love,
Mom and Dad

Amber,

Our first born and most beautiful daughter. The years have gone by so very fast. We love you more than you know. May your future bring you many good things.

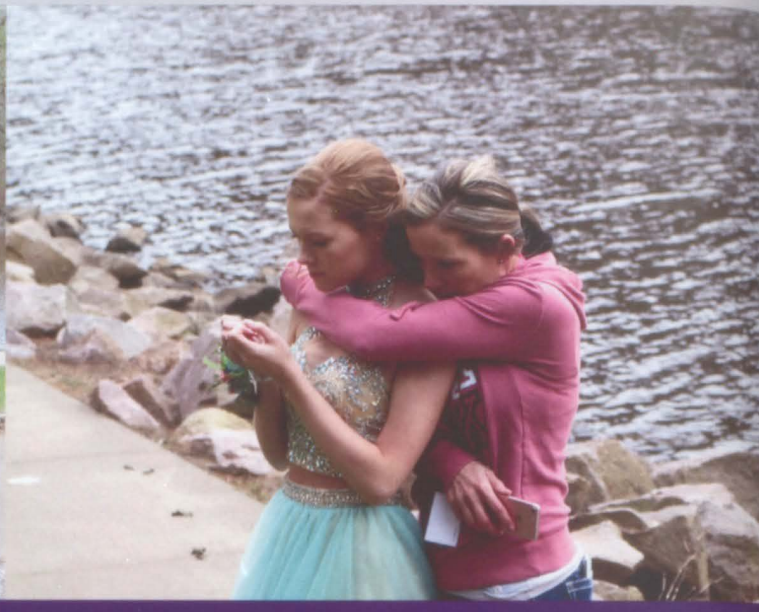

Love you always,
Mom and Dad

One truly is an awesome number! This year's Augusta High School Forensics team may be small in number, but when it comes to clutch performers, Bailey Anderegg completes the play bill. Bailey performs in the Solo Acting Humerus category, and after a successful performance at the Sub-district meet at Regis High School on Monday, February 26, Bailey earned a bid to the District competition at Eau Claire Memorial High School. On Tuesday, March 13, Bailey performed in the District competition and earned a much deserved trip to Madison. On the high school competitive speaking circuit, there is no greater honor than being able to represent your school at state, and Bailey has earned her third trip in a row. On her last trip to state, Bailey wowed the judges with a perfect performance, 25 out of 25 points and won a gold pin, serious hardware for competitive orators. This young woman has some serious acting chops and will be performing on the UW-Madison campus at 7:00 p.m. on Friday, April 20. Congratulations on your exemplary season! Good luck at state, and as the acting community jubilantly says, "Go break a leg!" (Not literally mind you; this expression is meant in a figurative way, metaphorically and ironically no doubt. Otherwise the setting for the Sopranos would have been a local high school instead of the mean streets of New Jersey.) In any case have fun and bring home another gold!

Mrs. Steinke promotes the 2018 yearbook.

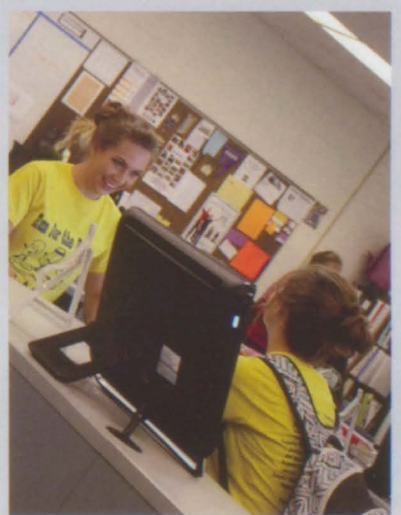

This year was no different than last year - stress, stress, stress! With a new yearbook company, new online tools to learn, new staff members, and finally those dreaded deadlines - we still did it all. We added new twists to the pages and to the yearbook format in general. Mrs. Steinke's newest saying is "People pay money to read our homework" (Walsworth).

In the 2017 season the Beavers baseball team finished with an overall record of 10-18 and a conference record of 5-11. They are a very young team that got better every game and were able to win a few big games toward the end of the season. The Beavers battled all season playing in close games but couldn't finish at the end. The team looks to improve more next season and get back on track winning regional titles.

The 2017 softball season was full of large numbers and big accomplishments. Senior, Alyssa Laxson, hit her 400th strikeout along with her 100th hit. Another big milestone that Laxson reached was throwing a no hitter. The team had great success throughout their season. Senior, Katie Nelson hit her first homerun, along with Laxson having two, the Beavers beat an undefeated team with a walk off, and they met their goal on wins.

Track & Field

"As I have transitioned into this new role as athletic director, one of the hardest decisions I had to make was to step away from coaching. Many of my favorite memories as an educator have been made during my time working with athletes in Cross Country and Track and Field. The 2016-2017 season was a season filled with many laughs, PRs, successful races and meets, but most of all time well spent with an amazing group of student athletes. I look forward to continuing to being one of their biggest fans." ~ Coach Ashley Mason

The Track and Field year started off strong and continued to progress. The team celebrated many successful accomplishments. On the girls side Carolyn Shult and Lauren Lea broke the 1600m record. On the guys side Kyle Gjerseth, Carter Jacobs, Jackson Goings, and Aaron Dorf broke the 4x800m relay record. Throughout the many successful accomplishments, the team had pushed each other to their maximum and the best of their capabilities. Having made these achievements, the team didn't stop until they gave it their all. Whether it be their last run, jump or throw, until the last finish.

Cross Country

"I have an incredible amount of respect for the effort that all of the Cross Country runners put forth this year. Cross Country is a demanding sport that requires the student-athletes to be both physically and mentally tough; and this team was the perfect example of that. I am so proud of these boys and girls for their leadership, work ethic and determination this season." - Josh Peterson

During the 2017 Cross Country season, our team celebrated success. From the girls side, Carolyn Shult consistently placed in the top 10, with Lauren Lea following closely. The guys team (led by Jackson Goings) followed in the large footsteps of the 2016 team, having a strong representation of individual medalers at every meet, winning a handful of invitations, becoming back-to-back Conference Champions, Sectional Runner-Ups, and State Qualifiers. The team spent a lot of time outside of practice together, and grew close throughout the season. Seniors Kaylee Kewin, Lauren Lea, Niko Cerrillo and Jackson Goings will be missed.
