WHO? GUESS

Ashlyn Korger Grace,

When we picked your middle name, we decided on Grace after strong women in our family with hope it would be something you would grow into and live up to. You have more than surpassed any expectations we could have had for you. If you look up Grace in the thesaurus, synonyms include words like elegance, loveliness, kindness, charity, dignity, decency, honor, beauty and blessing. You are all of those things young lady and so very much more to both your family and your community. You have made us proud as a student, an athlete, a leader, a sister and a daughter. You are one incredible human being with kindness in your heart and an excellent head on your shoulders. You are wise well beyond your 17 years. You were a blessing from God to this crazy family of ours and without you, it would be nowhere near complete. We are thrilled for your new adventures and it brings joy to our hearts to see your enthusiasm for your next chapter, but it won't change how much we will miss you. Whether it is your ridiculous laugh, contagious smile, watching you handle a basketball, or your awful singing abilities. We will miss you in our daily routine but it will only make visits so much more special. You are ready to conquer the world Ashlyn, and we are all excited to watch you do it.

We love you Patchy,
Mom and Dad

Tanner Bananer,

You will always be our little stubborn boy who wouldn't eat his vegetables, but loved to eat sand and dirt by the handful. The boy who would sit for hours in one place as long as there was junk food in front of you. The boy who would look for a reason to cause a fight with your brother to show him how tough you were. Our emotional little boy who cried when we got a new washer because you didn't want the old one to go. The boy that loves school and learning so much that you would take school work home over the summer. The boy who broke out of his brother's shadow to become your own star basketball player. The boy that has grown into a man and made his family very proud.

We love you Kiddo.
Love always,
Mom, Dad, and Hunter

Logan (LB),

It's true what they say, time surely does fly. It seems like just yesterday you were born and now you're graduating from high school. You've been a blessing in my life from the day you were born. Your smile lights up any room, your kind-hearted personality is contagious, and your strength is admirable (but boy oh boy, look out if you do happen to get angry). Cherish all the memories you've made in school, whether it was just hanging with your friends or the many sport events you've endured (you may not think so now, but you're going to miss it). Now it's time to move onto the next step in your life. With your hard work and determination, you're going to conquer anything you strive for. I'm very proud of you and can't wait to see what you accomplish. There is no such thing as failure, it is just an experience and if one door closes, another will open.

Love you!
Mom

Ryan,

It is hard to believe you are graduating! You have grown into a wonderful young man. Although a few tears will be shed this summer, we are excited for you to start this next journey. We are proud of you and love you very much!

Mom, Dad, Matthew, Bradley, & Dani

To my bestie,

Growing up with you has been quite an adventure. From building forts in the woods to accidentally shooting TV's (that part is actually just you), we've become better friends than anyone I'll ever meet. I'm so glad we grew out of our phase of constant fist fights every day, that would've gotten old real quick. Although we fought, you were always someone I admired so much, and still do. There's no one with a more kind and caring heart than you. Your selflessness and compassion never withers, even for a moment. It is impossible for me to express just how proud I am to be your sister. Watching you grow up to be the student, friend, son, athlete, and brother you are has been truly inspiring and unforgettable. I hope that some day I become half the person you are. Thank you so much for being you.

Cam

Brennen,

From the moment you came into our lives you have been a constant source of pride and inspiration. You've grown into a remarkable man. A heart filled with kindness, and to have so much integrity, it really is a rare gift and we are so proud to call you our son. If you take anything away from your childhood, let it be: Always remember where you come from.... there is no limit to what you can do and always follow your heart no matter what others tell you.... be yourself always. We are so proud of everything you have accomplished and become. There are no words to express how much we love you.

Congratulations "Big B"!!

Love, Mom and Dan

Chase, Breleigh, & Cart

Brennen,

Having you as a son is one of the biggest blessings life could have given us. You have always been easy going, witty, patient, and kind with unflinching determination. This is what makes you who you are--don't let anything change that. We know you are going to do just fine as you prepare for the future. Always remember this: no matter where life leads you, no matter what you do, we will always be your biggest fans.

Love,
Dad & Becky

Luis,

It seems as though the last 18 years have gone by in a couple blinks of an eye. In that time, you have given us joy and smiles to fill a lifetime. We are very proud of your achievements, proud to have you as a son, and proud of the young man you have grown into. As you start a new chapter in your life's journey, continue to strive for your dreams and reach for what seems unachievable. We will always be here for you and look forward to seeing you accomplish that which you put your mind to. We congratulate you son.

Love you always,
Dad, Mom, & Devin

Kevin,

We have been very proud of you since the day you were born. We have watched you grow into an amazing young man. Hard work, good attitude and family support will help you reach all your goals.

Love,
Mom & Dad

Kevin,

Best of luck at UWRF, and I am always a phone call away. CONGRATULATIONS

Love ya always,
Samantha.

Megan,

As we sit here and think of all the things we want to say, only 2 words come to mind: "EXTREMELY PROUD"! We are so lucky to have had such a strong-willed, determined, and beautiful daughter. We are so excited to see what your future holds. Reach for the stars and as always, do what's in your heart.

Love you to the moon and back,
Dad & Mom

Grace,

We are so proud of you and all you've accomplished in your eighteen years. Watching you grow and become the special young woman you are today has brought joy to our family. Your sense of humor, work ethic, positive attitude, and desire to learn will take you far. Your ability to overcome challenges amazes us. You always give 100%. We are blessed to have you in our lives.

We love you so much,
Mom, Dad, and Emily

Cody,

We were so excited to welcome you to our family. We've never had a quiet moment since. From projectile vomiting as a baby, to being the first OFA youth wrestler to take first at Tournament of Champions. You've really grown to be an amazing young man, hard worker, with a great sense of humor. Remember you CAN achieve anything you put your mind to. We are very proud of you and love you!

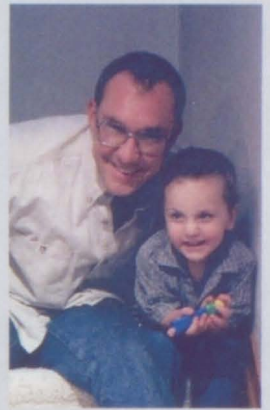

Mom, Dad, JJ, & Hunter

Austin,

We couldn't be more proud of you. We have watched you juggle high school, work a part-time job, and enjoy your teen years. Life is tough in so many ways, but we are certain you are going to thrive in society. We know you will make a difference in others' lives as you do in our lives.

We both love you very much!
Dad & Mandi

Austin,

I have watched you grow from my handsome baby into a young handsome man. I was so proud of you then, and I am even more proud of you and all your accomplishments. Good luck to you and your bright future. I love you Austin!

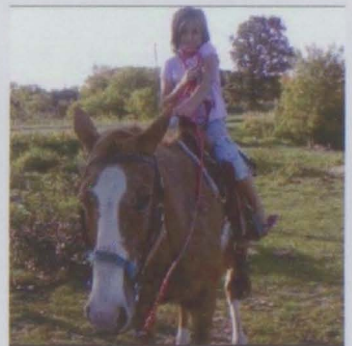

Love,
Mom

Maggie,

Don't ever give up on your dreams. You will stumble and fall along the way, but get back up, dust yourself off, and cinch up your saddle and get back on. Keep your eyes where the trail meets the sky and enjoy your ride! No matter what, you are my Sunshine forever!!!

Love,
Mom, Grandma Bev, Uncle Fuzzy, Zander, Kaylee,
and Grandma Deb

Dear Kendall,

You make us all so proud of you! We wish you all the best in everything you do, always. Please stay the sweet and happy girl you always have been. We love you so very much. It's been wonderful watching you grow into a beautiful woman. Always remember you are loved.

Our love always,
Dad, Marshall, Calvin, Keegan, Grandma, & Renee

Brock,

In the blink of an eye you're 18, graduating from high school, and heading off to college. Always remember to work hard, be kind, call your parents, and enjoy all of the experiences life has to offer.

Love,
Mom and Dad

Preston,

Where ever your journey in life may take you, remember to live like you will never grow old, play as hard as you work, and don't take for granted the love this life has given you. We are so proud of you. "Always stay your humble and kind self."

Love,
Mom

Sarah,

Brush your teeth, pay your bills, and call your mother. She loves you.

Mom
